The Well-Trained Mind Susan Wise Bauer, Jessie Wise, 2009-05-04. Outstanding should be on every home educator's reference bookshelf. Homeschooling Today: This educational bestseller has dominated its field for the last decade, sparking a homeschooling movement that has only continued to grow. It will instruct you step by step on how to give your child an academically rigorous, comprehensive education from preschool through high school. Two veteran home educators outline the classical pattern of education, the trivium, which organizes learning around the maturing capacity of the child's mind. With this model, you will be able to instruct your child in all levels of reading, writing, history, geography, mathematics, science, foreign languages, rhetoric, logic, art, and music, regardless of your own aptitude in those subjects. Newly revised and updated, The Well-Trained Mind includes detailed book lists with complete ordering information, up-to-date listings of resources, publications, and Internet links, and useful contact information.
