1. Sideburns Stories from Wardside School by Louis Sachar

Leslie sat in front of Paul. She had two long, brown pigtails that reached all the way down to her waist. Paul saw those pigtails, and a terrible urge came over him. He wanted to pull a pigtail. He wanted to wrap his fist around it, feel the hair between his fingers, and just yank. He thought it would be fun to tie the pigtails together, or better yet, tie them to her chair. But most of all, he just wanted to pull one.

Getting them home was a problem, since we had to make two trips, leaving Brad and Katie, armed with sticks to guard over the remainder. I only expected them to be challenged by some gang boss, but they said that the only person who came by was a scowry little rat of a girl living alone. We let her have one of the mattresses.
