1 Grammar

I love my family so much, and I really get along with everyone – my parents and my four brothers and sisters. However, sometimes they drive me crazy. There are both good and bad things about coming from a large family. One of the best things about coming from a large family is that I always have someone to talk to. Unfortunately, one of the disadvantages is that I never have any privacy. And of course, the trouble with not having any privacy is that I never have any space I can call my own. Our house is big, but sometimes not big enough!
