Education, Ethnicity and Equity in the Multilingual Asian Context Jan GUBE, Fang GAO, 2019-02-08 The book addresses issues related to the education of ethnic minority individuals in the multilingual Asian region It features recent research and practices of scholars aiming to rethink educational policy and practice surrounding the education of ethnic minority students with a variety of language scenarios in Hong Kong and other Asian contexts It documents how ethnicity and inequality are played out at policy school and individual levels and how these affect the education of ethnic minorities in their host societies Using a range of methods from surveys to interviews and document analysis this book describes the links between language identity and educational inequality related to ethnic minorities in Asian contexts

The Origin of Copyright Wenwei Guan, 2021-07-20 Contemporary copyright was born in a heroic era of human history when technologies facilitated idea dissemination through the book trade reaching out mass readership This book provides insights on the copyright evolution and how proprietary individual expression s copyright protection forms an integral part of our knowing in being driven by the advances of technology through the proliferating trading frameworks The book captures what is central in the process of copyright evolution which is an onto epistemological offset It goes on to explain that copyright s protection of knowing in originality s delineation of expression and fair use dealing s legitimization of unauthorized use and being are not isolatable but rather mutually implicated While the classic strict determinism has been subject to an onto epistemological challenge the book looks at the proliferation of global trade and advent of information technology and how they show us the beauty and possibility of intra dependence between copyright authorship entrepreneurship and readership which calls for a fresh copyright onto epistemology Building on its onto epistemological critiques on the stakeholder force and mechanism of

copyright evolution the book helps readers understand why not only copyright but also law in general and justice too need to be onto epistemologically balanced as this is categorically imperative for being the fundamental law of nature
