Reading Comprehension With Multiple-Choice Questions

The image displays three overlapping pages from a reading comprehension workbook. The central page is the most prominent and features a title "Bats" in a green oval at the top. Below the title, there are three paragraphs of text. The first paragraph discusses the history of bats, mentioning that they were once considered scary and evil but are now known to be important. The second paragraph describes the physical characteristics of bats, noting that they are the only mammals capable of true flight. The third paragraph talks about the different species of bats and their habitats. Below the text, there are several multiple-choice questions. The left and right pages are partially visible and show similar content, including text and questions. The entire workbook is set against a dark background with a yellow border.
