charming women in Leslie North's latest sexy trilogy *Life can be tough as a billionaire*. Just ask friends Grayson Daniel and Blake. All that money doesn't keep them warm at night, make them laugh or love them back. But that's fine with them until it isn't. Grayson's focused like a laser on his business, but life changes quickly when one night of passion with a beautiful boutique owner leaves him with an unexpected little bundle of joy. Daniel's closest relationship is with his exotic fish until he convinces a woman he only knows from a series of flirty notes to be his fake girlfriend and they share one incredible kiss. And after his buddies bet him he can't go on more than five dates with a woman, Blake wonders if giving up his freedom might be the best thing he's ever done as he gets to know single mother Michelle. Billionaire boyfriends can be so difficult. Mila, Jackie, and Michelle couldn't care less about all that money or even having a man in their lives. But when circumstances work to bring them together, having a sexy billionaire nearby turns about to be a good thing. A really good thing. Three gorgeous billionaires, fake relationships, unexpected babies, and an instant family make this trilogy a not-to-miss read. A thron from USA Today Bestselling author Leslie North. *Nobody's Laughing* Jeffrey Arnold, 2012-08. The author takes us on a raucous journey into the life and mind of Richard Bonhom. He is a post-modern portrait of success despite his failed marriage, delinquent drug-addicted daughter, and looming financial scandal at work. The story takes place in a one-week period preceding Bonhom's fiftieth birthday. A growing discomfort at facing this turning point in his life and the urgent need to make things right are the driving forces motivating his desperate search for some form of salvation. These issues force him to dig deep, hold on, and take stock. This serious but often hilarious search for meaning and purpose to Richard's world takes the reader along an almost satirical path filled with interesting and often outrageous characters. The setting is Vancouver, Canada. The time is now. When we look out at the world around us and within us through the eyes of Richard Bonhom, we inevitably see ourselves and more importantly, what truly matters in our lives.
