The Algebra Miracle: The True Story of a High-Poverty School's Triumph in the Age of Accountability Stuart Alan Singer,2012-02-21

A miracle is defined as a highly improbable or extraordinary accomplishment The story of the Algebra program at JEB Stuart High School in Fairfax Virginia qualifies for such a designation Over a period of fifteen years a series of ambitious no cost innovations which challenged the prevailing status quo in math education led to a set of academic accomplishments that were indeed improbable and extraordinary This miracle was achieved by a high poverty ethnically diverse student body that was unique at the time but is now representative of schools found throughout

the U S For everyone touched by education from parents and students to teachers and administrators The Algebra Miracle will provide insights into the complexity of finding a low cost formula for academic success in the tight budgetary times of the 21st century This story serves as a model of what can be accomplished when a dedicated school staff commits its time energy and creativity to the needs of their students *The Educational Leader's Guide for School Scheduling* Elliot Y. Merenbloom, Barbara A. Kalina, 2017-04-07 This essential resource provides strategies for the effective and equitable distribution of available FTEs throughout the district while helping you work through the many critical questions and decisions involved in the scheduling process **The Condition of Education** ,2005 Includes a section called Program and plans which describes the Center s activities for the current fiscal year and the projected activities for the succeeding fiscal year
