Another Fine Mess The Laurel Hardy Story:

The Art of Laurel and Hardy Kyp Harness, 2015-01-09 From the early days of film came Laurel and Hardy a comedy team that created slapstick hilarity from life's simplest situations Some seventy years after their heyday Arthur Stanley Jefferson and Oliver Norvell Babe Hardy are still remembered for the comic chaos they created in film shorts They gave us something to laugh at by reminding us of our own foibles in a way that was genuine and unpretentious The lanky Stan Laurel 1890 1965 and portly Ollie Hardy 1892 1957 had but one objective to create as many laughs as would fit in one short film And that they did The book begins by exploring their comedy in the early days of film A chapter is dedicated to each of the boys Laurel from Ulverston England and Hardy from the state of Georgia as a person and performer Further chapters explore the slapstick and gags of Laurel and Hardy and how the pair survived the transition to sound that left behind many actors of the day It was only when they began to work for large studios churning out cookie cutter scripts that their art began to lose its way The book takes the reader through the ups and downs of their careers and to a final comeback A filmography lists works from 1917 to 1951 with information on availability *In At The Sharp End (Stories From The Front Line Of The Music Business)* Ron McCreight, 2022-12-16 Anyone interested in music will consider this to be essential reading Covering every genre it provides intimate inside stories about many artists songwriters and music execs never previously documented Those included are KYLIE MINOGUE BURT BACHARACH GEORGE MARTIN BOB GELDOF STOCK AITKEN WATERMAN SIMON COWELL RONNIE WOOD JUSTIN HAYWARD GRAHAM GOULDMAN LEO SAYER PAUL JONES JASON DONOVAN SINITTA ALLAN CLARKE The Hollies and many more Revelations How Kylie nearly missed her big chance when Simon Cowell lost it all how George Martin signed The Beatles out of pure sympathy the rise and subsequent disappearance of Clive Calder the wealthiest man in music what motivated Bob Geldof to stage the greatest show of all time where the classic songs originated from Burt Bacharach Elton John Lieber and Stoller Neil Sedaka Gene Pitney Randy Edelman Tony Hatch Tony Macaulay Roger Greenway Les Reed Barry Mason plus modern day songwriter of the year Jamie Hartman **The First Hollywood Sound Shorts, 1926-1931** Edwin M. Bradley, 2015-06-14 This study of early sound shorts begins with an explanation of the development of sound motion pictures in Hollywood by such influential companies as Warner Bros and Fox with an emphasis on short subjects leading up to the first few months when all of the major studios were capable of producing them The next chapters discuss the impact on other mass entertainments the development of audible news reels and other non fiction shorts as well as the origins of animated sound subjects A comprehensive list of pre 1932 American made shorts completes the volume **ABSOLUTE EMPOWERMENT** Frank Fracasso, 2023-10-10 This manuscript electrifies you with crisp ideas For the first time you gain extraordinary insights into your personal social spiritual and commercial growth The text serves as a model for achieving total success The exclusive framework of ABSOLUTE EMPOWERMENT shatters barriers to higher success which psychological physiological and metaphysical methods do not

overcome The subject matter proves that you can balance multiple core values fulfill your numerous desires and maintain them with poise throughout your life *Why did the chicken cross the road? Ovvero funny tales, true stories, curious news, valuable information, trivia, quotes, famous phrases, jokes and like...* Paolo Agnoli, Patrizia Di Nicola, 2001 **Let's Get Back to the Tardis** Jamie Jones, 2020-03-05 Let's Get Back To The TARDIS is part biographical part fiction Factual fiction Starting in 1987 this story is about the goings on of a character called Jamie Jamie is a young Doctor Who fan who is determined to make a fan film based on the 1965 Dr Who and the Daleks movie which starred Peter Cushing He enlists his cousin Simon a non Doctor Who fan to help him This book details their various attempts and how the idea goes in directions that even they didn't expect it to go Despite being set in the late 1980s the book becomes just like a TARDIS as time switches back and forth through various points in Jamie's life At its very heart this book is the tale of young forgotten innocence viewed through the warm glow of nostalgia and the changes that occur as one gets older *Stan* Fred Lawrence Guiles, 2020-04-28 Stan surprisingly is the first full length biography of the legendary comic who was the creative half of the universally loved duo Laurel and Hardy Based upon scores of interviews with family and friends including the intimate diaries of Virginia Ruth Laurel whom Stan married three times and enhanced by a magnificent collection of previously unpublished photographs Stan tells the very human story of Laurel's struggle to survive against difficult odds personal and professional From precarious beginnings in vaudeville with Charlie Chaplin skinny Stan changed his name and rose to enjoy success and universal acclaim with his big bellied partner Oliver Hardy Yet beneath the exterior of the wistful comic whose sense of humor gave pleasure to so many millions was a man beset by financial worries alcohol and unhappy personal relationships that encompassed many dalliances and six marriages This superb biography provides new insight into the supremely talented man behind the screen image and a fascinating panorama of show business in the first half of this century *Rewrites* Neil Simon, 2012-10-01 Neil Simon's plays are to some extent a reflection of his life sometimes autobiographical other times based on the experiences of those close to him What the reader of this warm nostalgic memoir discovers however is that the plays although grounded in Neil Simon's own experience provide only a glimpse into the mind and soul of this very private man In *Rewrites* he tells of the painful discord he endured at home as a child of his struggles to develop his talent as a writer and of his insecurities when dealing with what proved to be his first great success falling in love Supporting players in the anecdote filled memoir include Sid Caesar Jerry Lewis Walter Matthau Robert Redford Gwen Verdon Bob Fosse Maureen Stapleton George C Scott Peter Sellers and Mike Nichols But always at center stage is his first love his wife Joan whose death in the early seventies devastated him and whose love and inspiration illuminate this remarkable and revealing self portrait *Rewrites* is rich in laughter and emotion and filled with the memories of a sometimes sweet sometimes bittersweet life

Encyclopedia of American Short Films, 1926-1959 Graham Webb, 2020-07-10 Short subject films have a long history in American cinemas These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that

would include a cartoon a newsreel possibly a serial and a short before launching into the feature film Shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts With the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies After the Second World War and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s

Uneasy Lies the Head - A Time Travel Story Doug Fowler, 2017-06-20 Joe learns time travel while feasible is also quite rude when he sends his mind back in time to Louis XIV as he becomes absolute monarch in 1661 Louis can't believe what this brash fellow from nearly 500 years in the future is doing Joe makes a number of flubs infuriating nobles and nearly igniting a number of revolts as he tries to make the world better When the pope calls him on the carpet he must flee for his life after what he says The advances he introduces change the world but he ends up creating a much different history than he knows and must determine how France should respond to a number of events in Europe Finally he must decide whether to go back to his own history and a body dying without its brain and soul or to stay in that past which he has created Indeed he wonders if he can be pulled back Will Joe make it What kind of alternate world will he create and can he make it a lasting change
