Another Hamlet Charles Boyle, 2011-04-04 In *Another Hamlet* which includes both his original 30 page 1993 essay and the original screenplay based upon it Charles Boyle has produced a riveting political thriller that explores the life and tragic death of actor and film maker Leslie Howard a British patriot drawn into a deadly propaganda duel with the Germans Deftly interweaving the behind the scenes politics of World War II with the decadent showbiz world of the 1930s 1940s Boyle makes the tantalizing suggestion that it was Howard s growing conviction that the Earl of Oxford wrote Shakespeare which sealed his doom From Leslie Howard himself to Humphrey Bogart Merle Oberon Winston Churchill Anthony Eden and Joseph Goebbels Boyle brings to life a fascinating and often chilling cast of characters to tell the story of a maverick artist s losing battle with the power brokers of his age Charles Beauclerk author of *Nell Gwynn* and Shakespeare s *Lost Kingdom*

The Stage, 1937

Shakespeare Films Peter E.S. Babiak, 2016-05-23 This study reexamines the recognized canon of films based on Shakespeare s plays and argues that it should be broadened by breaking with two unnecessary standards the characterization of the director as auteur of a play s screen adaptation and the convention of excluding films with contemporary language or modern or alternative settings or which use the play as a subtext The emphasis is shifted from the director s contribution to the film s social cultural and historical contexts The work of the auteurs is reevaluated within present day contexts preserving the established canon while proposing new criteria for inclusion
