The Search for Better Educational Standards Martin Thrupp, 2017-08-22 This book deals with the development of New Zealand's standards system for primary school achievement Kiwi Standards which took effect from 2010 onwards and is becoming increasingly embedded over time The approach where teachers make Overall Teacher Judgements based on a range of assessment tools and their own observations rather than using any particular national test has created predictable problems with moderation within and across schools It has been claimed that this bold Kiwi Standards approach avoids the narrowed curriculum and mediocre outcomes of high stakes assessment in other countries Yet this book suggests it just produces another variant of the same problems and demonstrates that even a relatively weak high stakes assessment approach still produces performative effects The book provides a blow by blow account of the development of a policy including the continuous repositioning of New Zealand's Government as it has sought to justify the policy in the face of opposition from educators Indeed the Kiwi Standards tale provides a world class example of teachers fighting back against policy with the help of academics There is an indigenous M ori aspect to the story as well Finally this book also provides comparative international perspectives including responses from well known US English and Australian academics Ebola Patricia Newman, 2015-08-01 Ebola is a deadly contagious disease From 1975 to 2013 it killed about 1 500 people But a 2014 epidemic killed more than six times that number At first the outbreak was contained to one country But soon it spread to two others the virus was on the move and people were scared When two American healthcare workers became infected and were sent to the United States for treatment many people feared a pandemic an outbreak that would spread all over the world Could it happen Ebola Fears and Facts takes you behind the sensational headlines to address questions and concerns about the virus Learn about the history of the disease its symptoms and how it spreads Find out how the 2014 epidemic compares to past Ebola outbreaks as well as to outbreaks of other infectious diseases With a question and answer section and reference maps Ebola Fears and Facts will help you to better understand this most feared disease *273 technical questions and answers for job interview Offshore Oil & Gas Platforms* Petrogav International Oil & Gas Training Center, 2020-06-29 The job interview is probably the most important step you will take in your job search journey Because it's always important to be prepared to respond effectively to the questions that employers typically ask at a job interview Petrogav International has prepared this eBooks that will help you to get a job in oil and gas industry Since these questions are so common hiring managers will expect you to be able to answer them smoothly and without hesitation This eBook contains 273 questions and answers for job interview and as a BONUS web addresses to 218 video movies for a better understanding of the technological process This course covers aspects like HSE Process Mechanical Electrical and Instrumentation Control that will enable you to apply for any position in the Oil and Gas Industry **Technical questions and answers for job interview Offshore Oil & Gas Rigs** Petrogav International Oil & Gas Training Center, 2020-06-29 The job interview is probably the most important
