Freak the Mighty - Literature Kit Gr. 5-6 Lisa Renaud, 2016-07-26 Get to know the value of others and that there's more to people than meets the eye. A complete summative assessment with a variety of questions like multiple choice and vocabulary. Make judgments of the characters before getting to know them. Explore the concept of first impressions by explaining characters' actions towards each other. Recollect details from the text by completing sentences with the missing words. Test writing skills with a police report complete with a synopsis of the events in question and witness statements. Keep track of the different traits of Freak and Max in a graphic organizer before stating what they have in common. Aligned to your State Standards. Additional crossword word search comprehension quiz and answer key are also included. About the Novel: *Freak the Mighty* is a story about two unsuspecting friends coming together and showing the world how special they are. Maxwell is big and scary. He is also kind and thoughtful. Kevin is small and weak. He is also smart and creative. These two boys are seen as dangerous and pitiful by those around them. It's not until they come together to become *Freak the Mighty* that people start seeing them for who they really are. Max lives with his grandparents after his mother died and his father was sent to jail. Kevin just moved in next door with his mother. As outsiders, Max and Kevin build a friendship. They both bring to the friendship something that is missing. Max brings strength and Kevin brings smarts. The two embark on many adventures that soon develop into real dangers.

The Pigman - Literature Kit Gr. 7-8 Marlies Sargent, 2023-03-03 Understand how actions have consequences and how to learn from them with this tragic tale of loneliness and unlikely friendship. The comprehension questions included in this resource allow for good discussions. Identify the literary device being used for particular sections of the novel. Describe Mr. Pignati from John's perspective. Imagine alternatives to John and his dad's relationship if his dad had a less stressful job. Find synonyms to key vocabulary words found in the novel. Write a diary entry from the point of view of Mr. Pignati. Create an accurate timeline of events that take place throughout the story. Aligned to your State Standards and written to Bloom's Taxonomy, our worksheets incorporate a variety of scaffolding strategies along with additional crossword word search comprehension quiz and answer key. About the Novel: *The Pigman* is a story about two teens who befriend an elderly man and learn a valuable lesson about trust and repercussions. Lorraine and John don't have many friends. Their home life isn't ideal, so they spend a lot of time hanging out at the local cemetery. One day while playing a phone call game, the pair plays a prank on Angelo Pignati. The prank doesn't go as planned as Mr. Pignati is very lonely and trusting. This leads to an unlikely friendship between the three individuals. At first, Lorraine and John keep up the ruse as they enjoy having a place other than the cemetery to escape to. They enjoy the free items that Mr. Pignati showers on them. Nicknaming him the Pigman for his odd and overwhelming collection of pigs, Lorraine and John begin to truly like the man. One poor decision after another leads to tragedy that ultimately forces Lorraine and John to learn about themselves and how their actions have consequences.

School Library Journal, 2005 *A Mighty Story* Michael O. Shephard, 2010-02-20

This story is unlike any you heard it's about a normal teen going from no money to millions. You can call it drama, mystery, action, romance, comedy. I call it good. It's a must-read. Mighty is da man, but the game is only a 2-way street. [The Teach Like a Champion Guide to the Science of Reading](#) Doug Lemov, Colleen Driggs, Erica Woolway, 2025-07-24. The most comprehensive and practical guide to understanding and applying the science of reading to improve literacy instruction. After effectively teaching phonics in the early grades, what does the science of reading tell us should happen in literacy classes? The Teach Like a Champion Guide to the Science of Reading by Doug Lemov, Erica Woolway, and Colleen Driggs addresses the pressing challenges educators face in effectively incorporating the Science of Reading into their instruction once students already know how to decode. By offering actionable guidance grounded in seven evidence-based principles, this book helps teachers elevate their instructional practices and better prepare students to be lifelong readers and thinkers. Grounded in proven classroom instruction, the book focuses on techniques that can allow teachers to use the science as effectively and actionably as possible. The Teach Like a Champion Guide to the Science of Reading is enhanced with more than 50 video clips from the classroom and covers ways to practically apply the Science of Reading. The book describes the often overlooked role of fluency in reading comprehension even into the high school years, the profound importance of managing and socializing attention in an age of technology, the central role of background knowledge in understanding text, and the doubly important role of teaching vocabulary as a form of knowledge. It adds a discussion of how writing can make students better readers and how important it is that reading classes focus on reading actual books, great ones ideally. And it closes with a discussion of close reading and the challenge of preparing students to rise to the challenge of complex text. Inside the book: An innovative approach to building and reinforcing background knowledge in reading. Over 50 video demonstrations of effective teaching techniques. Sample lesson plans and materials for immediate classroom application. The Teach Like a Champion Guide to the Science of Reading is essential for educators, literacy coaches, and administrators who aim to foster rigorous literacy instruction in their classrooms and schools. This guide shows you how to implement techniques that ensure students find joy in reading and become better, wiser, more engaged, and more motivated readers both in their classrooms and in their lives beyond.
