Answers In Time A Layman S Apologetic:

The Layman's Manual on Christian Apologetics Brian G. Chilton, 2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper training to know how to answer these objections In The Layman s Manual on Christian Apologetics the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God s existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity The Layman s Manual on Christian Apologetics delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable

Patricia Demers, 2016-01-04 Lady Anne Cooke Bacon's translation of Bishop John Jewel's *Apologia Ecclesiae Anglicanae* 1562 as *An Apology or Answer in Defence of the Church of England* 1564 is the official defence of the Elizabethan Settlement At once an explanation and vindication of the establishment of the English Church and an attack on the perceived failings of the Church of Rome *An Apology* embodies the tensions of a polemical age It illustrates how politics and religion were inextricably entwined in early printed books As well as shining light on the intense controversy between Jewel Bishop of Salisbury and fellow Devon native Thomas Harding exiled in Louvain Lady Bacon's text and its reception foreground the critical significance of her translating expertise in presenting church history and debates through pungent idiomatic prose One of the lauded Cooke sisters and mother of Sir Anthony and Sir Francis Lady Bacon combined her proven talent in languages and reform principles with an insider's knowledge of court intrigues Although her translation disappeared from print acknowledgement for almost two centuries it is here offered in a richly annotated edition Explaining and contextualizing the cryptic marginalia this edition allows twenty first century readers to feel the heat and apprehend the strategic importance of *An Apology*

APOLOGETICS MADE SIMPLE: 3 ESSAYS FOR BEGINNERS Craig Lantz, ThD, PhD, 2019-03-19 This handbook on Christian Apologetics is

intended to be put into the hands of those who are unfamiliar with the subject Apologetics is derived from the Greek word *apologia* which means speaking in defense When discussing the subject of Apologetics Christians are not APOLOGIZING for

their faith Rather Christians are called to give a defense for what they believe I Peter 3 15 16 states But sanctify the Lord God in your hearts and always be ready to give a defense to everyone who asks you a reason for the hope that is in you with meekness and fear having a good conscience that when they defame you as evildoers those who revile your good conduct in Christ may be ashamed NKJV This book contains 3 essays for beginners and explores the basic foundations of Apologetics As Christians we must be prepared to be able to defend our faith rationally and intelligently to a post Christian culture that requires intelligent answers for WHY Christians believe WHAT they believe This handbook will provide the necessary tools to equip you to be able to know and defend your belief in GOD as the creator the resurrection of Jesus Christ and the authenticity of the Scriptures and will examine philosophically WHY it is more reasonable to believe than to be a skeptic

On Apology Professor of Psychiatry University of Massachusetts Medical School Aaron Lazare M.D. Chancellor and Dean, 2004-09-17 One of the most profound interactions that can occur between people apologies have the power to heal humiliations free the mind from deep seated guilt remove the desire for vengeance and ultimately restore broken relationships With On Apology Aaron Lazare offers an eye opening analysis of this vital interaction illuminating an often hidden corner of the human heart He discusses the importance of shame guilt and humiliation the initial reluctance to apologize the simplicity of the act of apologizing the spontaneous generosity and forgiveness on the part of the offended the transfer of power and respect between two parties and much more Readers will not only find a wealth of insight that they can apply to their own lives but also a deeper understanding of national and international conflicts and how we might resolve them The act of apologizing is quite simply immensely fulfilling On Apology opens a window onto this common occurrence to reveal the feelings and actions at the heart of this profound interaction [A Layman's Christianity](#) Ken Dickason, 2010-11-17 Sordid romance Gripping intrigue Fast paced action None of these really describe a book about theology and they surprisingly enough do not apply to A Layman's Christianity either However if you are looking for a well thought out book replete with scriptural references written not by a dreary doctorate of theology nor by a hip young pastor of a mega lo church but by an average joe then look no further Written from a young man's perspective A Layman's Christianity is a book that delves into the belief that every man has the right to think about who God is and what He wants from our lives and that phrase every man is not restricted to age gender or educational background but rather should be based on the author's commitment to God and his love for His Bible A Layman's Christianity is not a how to manual for living a better Christian life but is rather an outline of several characteristics and ideas that taken together form the author's ideal Christian Leaving room open for argument and individual thought A Layman's Christianity refuses to be taken at face value and insists that the reader check its assertions with the Bible thus fulfilling the purpose of the book that every man and woman who follows after God has the right and responsibility to think about Him and upon Him *Common Sense Apologetics* Dave Abell, 2010-10-18 While atheists and religious liberals purport themselves to be enlightened intellectuals what we find upon deeper exploration

is that their intellectualism is simply a facade Conversely many believers are unable to defend their faith and shrink back when confronted with tough questions particularly those concerning Jesus being the only way to Heaven Whether out of fear lack of knowledge or a spirit of compromise the ability to express the idea of one true Holy Book and one true way to Heaven seems to escape far too many Christians Common Sense Apologetics will inspire Christians to drop this spirit of timidity while gaining confidence and loving boldness when sharing the faith Foundational is the fact that God has not called Christians to believe what is not believable nor defend what is indefensible The evidence for Gods existence and the truth of His Word is abundant and accessible Christians have Biblical directives to share the Gospel of Jesus Christ and lovingly contend for the faith when it is perverted from within and attacked from without This book is uniquely constructed to present a practical approach to learning why the Christian faith is true and a better method for defending that truth
