2024 International Building Code (International Code Council Series)

Description :

*The 2024 International Codes (I-Codes) have undergone substantial formatting changes as part of the digital transformation strategy of the International Code Council (ICC) to improve the user experience. The changes, promoting a cleaner, more modern look and enhancing readability and sustainability, include: * Single column text format and modernized font styles improves readability * QR Codes replace vertical margin sidebars and arrows to identify code changes more accurately * Shading for table headers and notes improves locating tables and applicable notes * Grouping of associated content brings tables and figures immediately after the parent section * Users have capability to validate authenticity of their book and register it with the ICC to receive incentives The 2024 IBC applies to all buildings except detached one- and two-family dwellings and townhouses up to three stories. The 2024 IBC contains many important changes such as: **
