For Love of Country Billy Ray Wilson Msgt Usaf (Retired), 2013-07 Every American should read this book and take immediate action thereafter to recall their state's US delegation to Washington. As a military enlistee as do members of Congress we swore an oath to defend the United States Constitution against all enemies foreign and domestic the same Constitution which we swore the oath dictates the Congress of the United States will proclaim a Declaration of War against any aggressor attacking this great nation. Congress has not proclaimed a Declaration of War since the December 7, 1941 Imperial Japanese Navy air and sea attack on Pearl Harbor Hawaii. However Congress has funded and ordered the President of the United States to commit acts of war against sovereign nations not because of military aggression but to acquire fossil fuel reserves critical industrial minerals and a new Religious Crusade. Disabled American military veterans I believe understand and accept the hardships deaths injuries and unexpected from their combat and or support duty in a hazardous environment and unwanted divorces and domestic issues to preserve and defend the US Constitution. However to enrich the owners of the Federal Reserve Wall Street Investors and members of Congress is unconstitutional.
