Project Independence Blueprint United States. Federal Energy Administration,1974 What is Project Independence
The sources and uses of energy in the United States have changed dramatically in the last several decades As a result in just one generation we have shifted from a position of domestic energy abundance to a substantial and continually growing reliance on foreign energy sources Project Independence is a wide ranging program to evaluate this growing dependence on foreign sources of energy and to develop positive programs to reduce our vulnerability to future oil cut offs and price increases **Project Independence: Kansas City, Missouri, Sept. 10-13, 1974** ,1974 *Federal Energy Administration Project Independence Blueprint* United States. Federal Energy Administration,1974 **Sexuality, Society & Pedagogy** Dennis A. Francis,2013-01-01 Sexuality Society and Pedagogy problematises some of the prevailing assumptions that frame this area of study In doing so it aims to make visible the challenges of teaching sexuality education in South African schools while demonstrating its potential for reshaping our conceptions of the social and cultural representations thereof Although the book is largely situated in experiences and perspectives within the South African context it is hoped that the questions raised reflections analyses and arguments will contribute to thinking about sexuality education in diverse contexts in particular more developing contexts *Project Independence* United States.
