The questions for Section II are printed in the orange Questions and Documents booklet. You may use that booklet to organize your answers and for scratch work, but you must write your answers in this Section II: Free Response booklet. No credit will be given for any work written in the Questions and Documents booklet.

The proctor will announce the beginning and end of the reading period. You are advised to spend the 15-minute period reading the question and planning your answer to Question 1, the document-based question. If you have time, you may also read Questions 2, 3, and 4. Do not begin writing in this booklet until the proctor tells you to do so.

Section II of this exam requires answers in essay form. Write clearly and legibly. Circle the number of the question you are answering at the top of each page in this booklet. Begin each answer on a new page. Do not skip lines. Cross out any errors you make; crossed-out work will not be scored.

Manage your time carefully. The proctor will announce the suggested time for each part, but you may proceed freely from one part to the next. Go on to Question 2, 3, or 4 if you finish Question 1 early. You may review your responses if you finish before the end of the exam is announced.

After the exam, you must apply the label that corresponds to the long-essay question you answered—Question 2, 3, or 4. For example, if you answered Question 2, apply the label [2]. Failure to do so may delay your score.
