A Moment in Time Mark Spencer, 2012-05-22 *A Moment in Time* will encourage believers to entertain principles of grace based theology and after careful consideration embrace them When we re convinced of the gracious simplicity in acquiring the free gift of eternal life it impacts how we share our faith When we re confident this free gift can t be lost it calms us down When we re certain Christ will repay and recompense us for what we do with this free gift we re motivated to be holy as He is holy In looking at the biblical text Christians will be reminded that justification is provided at no cost to them They ll see there s room for failure in the Christian life But they ll also learn where there s great grace there s great accountability and great reward It is wonderful to see this fresh look at many of the grace issues at a popular level Mark Spencer has given us an insightful look into the implications of grace in the task of evangelism and discipleship Recommended reading Dr Joseph Dillow Mark Spencer has the wonderful ability to communicate deep biblical truths in an interesting and straightforward way The reader will find a clear articulation of the grace message and convincing arguments against those who have corrupted it I am glad to see this comprehensive and

persuasive presentation of the gospel of grace and its implications It will serve us well as we seek to share this message with the world Dr Charlie Bing This is a book that needs to be taken seriously as a helpful guide to developing a strategic plan to be servants of Christ in our areas of influence As Mark said his last 25 years as a police officer went by overnight so how fast will the years fly by in our lives We all have a mission and an obligation to be useful to the Master Dr John South

Achieving a Safe and Reliable Product E.F. "Bud" Gookins, 2012-06-13 This book is designed to be an easily read high level guide to inform the executive management and staff support functions of an organization how critical it is to develop a Product Liability Prevention System and the steps needed to establish an effective Product Safety Plan It was created to inspire the reader to be aware that the product safety criteria must be a subset of the organization's structure and built into the organization's strategic plan Internationally known quality consultant and lecturer Bud Gookins walks the reader through a series of product systems and design concepts that will enable the manufacturer and service organizations to establish a product safety and product liability prevention process that can be integrated into an existing structure It discusses the key elements of a sound operational process quality assurance and reliability system approach to product safety It will address product liability prevention initiatives the salient points involved in justifying a product recall and how to navigate through the recall of a defective product that reaches the field

Interplanetary Outpost Erik Seedhouse, 2012-02-02 Interplanetary Outpost follows the mission architecture template of NASA's plan for Human Outer Planet Exploration HOPE which envisions sending a crew to the moon Callisto to conduct exploration and sample return activities To realize such a mission the spacecraft will be the most complex interplanetary vehicle ever built representing the best technical efforts of several nations A wealth of new technologies will need to be developed including new propulsion systems hibernation strategies and revolutionary radiation shielding materials Step by step the book will describe how the mission architecture will evolve how crews will be selected and trained and what the mission will entail from launch to landing However the focus of Interplanetary Outpost is on the human element The extended duration logistical challenges radiation concerns communication lag times isolation and deleterious effects on the human body will conspire to not only significantly impair human performance but also affect the behavior of crewmembers This book addresses each of these issues in detail while still providing the reader with a background to the necessary elements comprising such a mission
