Richeson,2016-10-26 I have always believed that God has a special purpose for animals During my lifetime I have had several Pet Kids but the three that will forever remain in my memory are Kelly Max and Rudi The First Part of my book introduces these three and represents some occurrences as they actually happened The human characters are based on persons I have known in the past however my portrayal of them is my own creation as well as many activities of the Pet Kids The Second and Third Parts of my book bring to life other people that exist only in my imagination but I feel as though I know them personally They are wonderful and their Pet Kids are extraordinary I hope you agree and if you are Pet Parents or if you are not that you will relate to my sentiments expressed in The Pet Kids and God *Moody's Manual of Investments* John Sherman
