Atheism Answered Daniel Horace Fernald,2008-10 In 2006 Sam Harris made quite a stir with his best selling book Letter to a Christian Nation In that book he identified the Christian faith as the source of a host of evils from Sub Saharan AIDS to the imminent threat of a theocratically directed nuclear Holocaust Dr Daniel Horace Fernald first highlights the numerous gaping holes in Harris presentation and then proceeds to challenge the very basis of Harris thesis that Christian faith is by its very nature opposed to reason science and civil discourse Fernald dispels this twisted caricature of Christians and their faith by demonstrating that it is actually the atheist worldview that is irrational and that rationality itself is impossible without the God described in the Old and New Testaments Using an approach adapted from presuppositional Christian apologetics Fernald defends the faith and takes the battle to Harris by showing the intellectual and moral emptiness of atheism Dr Daniel Horace Fernald is an accidental Christian conservative He was born in New York City studied French literature at the Sorbonne University of Paris IV and concluded his professional training by earning a Ph D in Philosophy at Atlantas Emory University From these inauspicious beginnings he found his way to Christ through an odd and circuitous path A former tenured University professor and refugee from the academic asylum he is the author of over 20 scholarly works As a Paris educated New Yorker and adult convert to Christianity he has survived numerous grillings by wary church elders but is none the worse for wear Dr Fernald currently serves as Executive Director of The Christian Lyceum an independent charitable apologetic education and hospitality ministry
