Allow only persons who fully understand the manuals of the KamhiEngine and the KamhiTool to operate your power tool.

To receive maximum performance and satisfaction from your STIHL power tool, it is important that you read and understand the maintenance and safety precautions in chapter "Safety Precautions and Working Techniques" before using your power tool. For further information you can go to www.stihlusa.com.

Contact your STIHL dealer or the STIHL distributor for your area if you do not understand any of the instructions in the two manuals.

**Warning!**

Because this power tool is a high-speed working tool, some special safety precautions must be observed to reduce the risk of personal injury. Careless or improper use may cause serious or even fatal injury. STIHL's philosophy is to continually improve all of its products. As a result, engineering changes and improvements may be made from time to time. Therefore, STIHL cannot be responsible for changes, modifications or improvements not covered in this manual. If the operating characteristics or the appearance of your power tool differ from those described in the two manuals, please contact your STIHL dealer for information and assistance.
