Long-Range Dependent Processes: Theory and Applications Ming Li, Carlo Cattani, 2022-12-05 **Neoliberalising Old Age** John Macnicol, 2015-10-08 This book examines the effect of neoliberalism on the recent ageing and social policy agenda in the UK and the USA American Military Life in the 21st Century Eugenia L. Weiss, Carl Andrew Castro, 2018-11-16 A comprehensive guide to the lives and experiences of military service members veterans and their families in the United States today with special emphasis given to those of the post 9 11 era This reference work provides detailed information on the issues U S service members face both stateside and during deployments overseas Issues covered include relations with family substance use housing educational and job training opportunities post traumatic stress disorder and other health issues and experiences of women sexual minorities and ethnic racial minorities in the armed services This set also examines major issues related to military service for people close to the men and women who serve our country such as spouses or partners children and parents grappling with such issues as single parenthood during deployment and bereavement at the loss of a loved one Finally this set is a valuable resource for people seeking a greater understanding of the issues that confront some military service members and veterans from chronic health problems to economic vulnerability to suicide to incarceration The two volumes are written in a comprehensive yet succinct and accessible style by experts familiar with the latest trends and findings *Smoke on the Water* Dario Fazzi, 2023-10-31 The U S government military and industry once saw ocean incineration as the safest and most efficient way to dispose of hazardous chemical waste Beginning in the late 1960s toxic chemicals such as PCBs and other harmful industrial byproducts were taken out to sea to be destroyed in specially designed ships equipped with high temperature combustion chambers and smokestacks But public outcry arose after the environmental and health risks of ocean incineration were exposed and the practice was banned in the early 1990s *Smoke on the Water* traces the rise and fall of ocean incineration showing how a transnational environmental movement tested the limits of U S political and economic power Dario Fazzi examines the anti ocean incineration movement that emerged on both sides of the Atlantic arguing that it succeeded by merging local advocacy with international mobilization He emphasizes the role played at the grassroots level by women migrant workers and other underrepresented groups who were at greatest risk Environmental groups for their part gathered and shared evidence about the harms of at sea incineration building scientific consensus and influencing international debates *Smoke on the Water* tells the compelling story of a campaign against environmental degradation in which people from marginalized communities took on the might of the U S military industrial complex It offers new insights into the transnational dimensions of environmental regulation the significance of nonstate actors in international history and the making of environmental justice movements Resources in Education ,1998 *The Schenley Experiment* Jake Oresick, 2017-04-14 The Schenley Experiment is the story of Pittsburgh s first public high school a social incubator in a largely segregated city that was highly even improbably successful throughout

its 156 year existence Established in 1855 as Central High School and reorganized in 1916 Schenley High School was a model of innovative public education and an ongoing experiment in diversity Its graduates include Andy Warhol actor Bill Nunn and jazz virtuoso Earl Hines and its prestigious academic program and pensions lured such teachers as future Pulitzer Prize winner Willa Cather The subject of investment as well as destructive neglect the school reflects the history of the city of Pittsburgh and provides a study in both the best and worst of urban public education practices there and across the Rust Belt Integrated decades before Brown v Board of Education Schenley succumbed to default segregation during the white flight of the 1970s it rose again to prominence in the late 1980s when parents camped out in six day long lines to enroll their children in visionary superintendent Richard C Wallace s reinvigorated school Although the historic triangular building was a cornerstone of its North Oakland neighborhood and a showpiece for the city of Pittsburgh officials closed the school in 2008 citing over 50 million in necessary renovations a controversial event that captured national attention Schenley alumnus Jake Oresick tells this story through interviews historical documents and hundreds of first person accounts drawn from a community indelibly tied to the school A memorable important work of local and educational history his book is a case study of desegregation magnet education and the changing nature and legacies of America s oldest public schools **The**

Saturday Review of Politics, Literature, Science and Art ,1865 **Dastardly Discourse** Meg Gorzycki,2020-03-09 Screaming at the television compulsively firing off tart little tweets and blogging until we are blue these signal that we are feeling the effects of dastardly discourse We live in a world where people feel entitled to use words to hurt exploit and publicly degrade humanity We daily consume rhetoric that makes a mockery of decency and civility Leaders of key social institutions including government news media and religious organizations who are supposed to be role models of reasoned and compassionate communication are often the ones with the loudest lies and the hardest hate We can change the channel We can unplug We can even encourage others to do the same We may not do so however until we grasp what is fundamentally at risk in our current norms of communication Nasty words are just the tip of the dastardly discourse iceberg What lies beneath is a steady flow of propaganda that aims to control our personal narratives This book is about that propaganda the importance of owning our own narratives and improving our own rhetorical capital the ability to analyze and evaluate information for the sake of sustaining human dignity decency and civility Media Criticism in a Digital Age Peter B. Orlik,2015-07-24 Media Criticism in a Digital Age introduces readers to a variety of critical approaches to audio and video discourse on radio television and the Internet It is intended for those preparing for electronic media careers as well as for anyone seeking to enhance their media literacy This book takes the unequivocal view that the material heard and seen over digital media is worthy of serious consideration Media Criticism in a Digital Age applies key aesthetic sociological philosophical psychological structural and economic principles to arrive at a comprehensive evaluation of programming and advertising content It offers a rich blend of insights from both industry and academic authorities These insights range from

the observations of Plato and Aristotle to the research that motivates twenty first century marketing and advertising Key features of the book are comprised of multiple video examples including commercials cartoons and custom graphics to illustrate core critical concepts chapters reflecting today s media world including coverage of broadband and social media issues fifty perceptive critiques penned by a variety of widely respected media observers and a supplementary website for professors that provides suggested exercises to accompany each chapter www.routledge.com/cw/orlik Media Criticism in a Digital Age equips emerging media professionals as well as perceptive consumers with the evaluative tools to maximize their media understanding and enjoyment English Mechanic and Mirror of Science and Art ,1870
