Books Rose Army,2002-02      **Foundations of Airline Finance** Bijan Vasigh,Zane C. Rowe,2019-07-02 There are few  
 industries that have had a more profound impact on business and society over the last century than aviation This book is an  
 accessible up to date introduction to the current state of the aviation industry which provides readers with the tools  
 necessary to understand the volatile and often complicated nature of airline finance Understanding finance is critical in any  
 industry however the financial track record of the airline industry places even more importance on effective financial  
 management Foundations of Airline Finance provides an introduction to the basics of finance including time value of money  
 the valuation of assets and revenue management and the particular intricacies of airline finance where there can be wild  
 fluctuations in both revenues and costs The third edition of this text has been extensively updated to reflect the many  
 changes in the air transport industry that have taken place since the publication of the second edition and features an  
 expanded chapter on aircraft leasing and many new international case examples This thorough introduction to aviation  
 finance is valuable reading as a general introductory financial text or as reading in specialized airline finance classes
