Maturing Within the Mystery of Jesus Christ, Our Lord and Savior William M. (Marc) Semadeni, 2023-05-04 GOD IS SUPREME so far above us that He must humble Himself to look upon the things that are in the earth which may be understandable however He must also humble Himself before He can even behold the things that are in heaven Our ultimate end goal is to be able to live in heaven for all of eternity with the Father and with the Son This hope of our desired eternal home is the place of our final rest in eternal comfort joy and peace in His presence for our resurrected and glorified spiritual bodies The God we worship is far greater than any of us can possibly even imagine We sing the song How great thou art however the word great or awesome or any other word is very much inadequate and far beneath our being able to describe the glory of God because His glory is inconceivable to the human mind God is above all far above all Before all far before all Encompassing all and possessing all of everything God is omnipotent omniscient omnipresent all encompassing all knowing all powerful and answers all our concerns He is transcendent in that He is un created has always existed is eternal and is far above His creation He is the epitome of all perfection righteousness purity holiness peace and joy God is all in all There is none other like Him nor will there ever be The love of God is simply God s nature If we would desire to have fellowship with God we must do so within the parameters of the nature of God being partakers of the Divine Nature which is the expression of God s pure love which relationship has been promised to us Jesus Christ went through the exact same things we are going through on this earth yet He through the power of the Holy Spirit overcame the world and being made perfect as a man He was fully qualified to die for each one of us taking our sins upon Himself paying for those sins with His blood fulfilling the law that says sin must die He endured the terrible suffering of the cruel physical pain of the cross and the horrible agony of one being temporarily spiritually separated from God the Father when He took our sins upon Himself for God cannot look upon sin Christ unselfishly took all of that horrific terror and pain of our sin upon Himself all because of His deep love for each one of us Christ our High Priest is the ultimate and supreme example for us to live our lives by However we within the confines of our

earthly minds are not fully able to attain to His perfection However through the blood of Jesus Christ if we have the boldness to enter in to the Holiest we may then fully be able to be partakers of God s Holy Spirit which will and does lead us into our being able to be conformed to Christ s image This personal presence with God can be attained by our being silent before God waiting on Him in humble prayer Do you have the faith and the boldness to enter into God s presence *Chilopods Secured by the Royal Society Expedition to Southern Chile in 1958-59* Angus Munn Woodbury,George F Edmunds,Lewis Thomas Nielsen,R Jean Musser,Ralph Vary Chamberlin,Seville Flowers,William Harroun Behle,Clarence Cottam,Don M.
