SAGACIOUSNESS Aashish Jung,2022-10-15 Someone asked him How to make a beautiful life And he replied There is no one answer to this question since beauty is subjective However some ways to make life more beautiful need wisdom by which we can include filling our life with positive experiences enjoying the little things and staying in the moment Additionally surrounding yourself with things that bring you happiness can make our life more beautiful Ultimately it is up to each individual to decide what makes life beautiful for them Ignorance is the lack of knowledge understanding or awareness Probably that is why being a fake has become so acceptable these days that people get offended when you keep it real So sagaciousness is the quality of being sagacious or wise Developing the wisdom to see reality **Consultants News** ,1996
