killer was involved with police and their repeated failures to deal with the danger he represented to his community and the public The Commission made 130 recommendations for action two thirds of them dealing with the RCMP Dean Beeby offers a plain language description of each of these recommendations enabling readers to keep track of how the RCMP and other agencies respond to the commission s demands for major reforms The Mass Casualty Commission s exhaustive investigation cost almost 50 million and yielded a massive final report The report was published in seven volumes of 3 000 pages in total This book is intended to give readers access to the key content of this important public record *Summary of Kent*
