How to Believe in Answered Prayers, Growing Deeper Spiritual Roots Georgie Anna Holbrook, 2019-02-01 Intentionally create a Prayer Life that attracts what you desire and learn how to stop doubting that your blessings are coming Receive step by step instructions on how to grow deeper spiritual roots by inviting angels blessing your spaces creating a prayer box living a peace filled life and finding your passion As a bonus Georgie shares her personal story including a bedside visit from Jesus while she was in the hospital During His visit Georgie experienced a miraculous healing that baffled the doctors Georgie encourages you to live a peace filled life give others your overflow of self love embrace yourself daily for being a blessing in this world and practice the prayer examples in this book until you truly know How to Believe in Answered Prayers Georgie has learned that there are more angels on earth than there are people They are always with us waiting to be asked for their wisdom and help This book will teach you how to connect with them God isn t confused but sometimes we are and so we need guidance We are called to learn a lot from nature Imagine sitting on a river bank overlooking a river See how it flows in one direction Imagine that your life training has taught you to go against the natural current to go upstream give to others when you re depleted and pretend you are happy

and spiritual when that's not how you truly feel. Over time you may start to feel like your spirit is becoming emptier and joy less. While we struggle against the current, the river of our soul is patiently waiting for us to seek nature's way. Live our inherent passion, let life be easy and attract our good to us. As a society we have been taught to question when we experience pain, trauma, or grief. We might ask questions like: Where is God or my Higher Source in my time of need? Why do bad things happen to good people? Why can't my body heal? Why can't my lifestyle improve? Or: If I was born with a purpose and passion, why is it so hard for me to find it? In this book, these questions and many more are answered by seeing your life from a higher, more pure perspective. By doing away with all shame, doubt, and feelings of being violated, you can learn how to move out of self-damaging beliefs and into becoming your true self. You will learn how to start treating your body, mind, and spirit as though they are your best friends so that you can connect with Divine Intelligence. You were born with a readily available Intelligence that beats your heart and digests your food; it's what keeps you alive. You will also discover how to use your intuition as your internal guidance system. If you've ever had a gut feeling about something, then you've already experienced your intuition trying to communicate with you. This intuition is real and needs to be acknowledged. Each chapter of this book will give you detailed instructions on how to help deepen your spiritual life. May you embrace your true self with great curiosity for the mystery and mastery that lies within you.

Georgie Anna Holbrook is an internationally recognized Blessing Creator; she interprets the emotions behind health issues along with being a personal and professional guide. She is a gifted intuitive whose motto is: "I pray, you show up, and then listen up to how I can guide you into a life you love."
