Emotional Intelligence Amber Elliott, 2016-03-31. We all know what IQ means, but how many of us understand emotional intelligence or EQ? Despite the fact that many are now talking about it, and that bigger and bigger areas of society and even of the corporate world have realized that emotional intelligence is the key to real and lasting success, few people actually know what it really is, and even fewer know how to develop it. Yet all the great leaders we know and admire display one common quality: a high level of emotional intelligence. Some of them may have been just about average when it comes to their IQs, but they all had an extremely high EQ. Think about Dr. Martin Luther King, Princess Diana, Mahatma Gandhi, or Oprah Winfrey. For example, what they all share is the ability to understand instinctively what their followers felt and to have an amazing emotional connection with them. A popular leader is also an efficient leader, and you will need to use your emotional intelligence to become one. This is why *Emotional Intelligence: The Ultimate Guide for Better Understanding Emotional Intelligence and Becoming a Popular Leader* gives you all the information you need to develop your emotional intelligence. Become an outstanding leader, covering both how emotional intelligence works and giving you a wide range of practical tips and exercises that you can use. In this book, you will find everything you need to know to understand how emotional intelligence works. Everything you need to know to understand the different areas of emotional intelligence. Practical advice on how you can easily develop your emotional intelligence. Clear and detailed examples of how you can apply your emotional intelligence in a leadership role. A detailed analysis with exercises of self-awareness. A detailed analysis with exercises of self-management. A detailed analysis with exercises of self-motivation. A detailed analysis with exercises of empathy. A detailed analysis with exercises of social awareness and skills. All this and more in an easy-to-read yet detailed and specific book that will change your life.
