Pallone, Sol Chaneles, 1990 This volume brings together in a single source a set of perspectives by leaders in the clinical treatment of criminal offenders in outpatient settings particularly those whose crimes have involved domestic violence and or substance abuse More than a set of how to techniques it addresses the question of which offenders can successfully be treated in what settings by which techniques It is a valuable resource not only for those concerned with prisons probation and parole but also for those responsible for the delivery of mental health services in the community

Therapy Manuals for Drug Addiction Dennis C. Daley, 2002 **Handbook of Behavior Modification with the Mentally Retarded** J. L. Matson, 2013-03-14 Mental retardation has probably existed for as long as mankind has inhabited the earth References to seemingly retarded persons appear in Greek and Roman literature Examination of Egyptian mummies suggests that some may have suffered from diseases associated with mental retardation Mohammed advocated feeding and housing those without reason There is other evidence for favorable attitudes toward the retarded in early history but attitudes varied from age to age and from country to country The concept of remediation did not emerge until the nineteenth century Earlier in 1798 Itard published an account of his attempt to train the wild boy of Aveyron A rash of efforts to habilitate retarded persons followed Training schools were developed in Europe and the United States in the 1800s however these early schools did not fulfill their promise and by the end of the nineteenth century large inhumane warehouses for retarded persons existed The notion of habilitation through training had largely been abandoned and was not to reappear until after World War II What Works for Whom? Anthony Roth, Peter Fonagy, 2006-01-01 Attuned
