Border Jumping and Migration Control in Southern Africa Francis Musoni, 2020-04-07 With the end of apartheid rule in South Africa and the ongoing economic crisis in Zimbabwe the border between these Southern African countries has become one of the busiest inland ports of entry in the world As border crossers wait for clearance crime violence and illegal entries have become rampant Francis Musoni observes that border jumping has become a way of life for many of those who live on both sides of the Limpopo River and he explores the reasons for this including searches for better paying jobs and access to food and clothing at affordable prices Musoni sets these actions into a framework of illegality He
