

THE FIRST BOOK OF GENESIS

ANSWERS IN GENESIS

1 In the beginning God
and the earth.

2 And the earth was
void: and darkness was
deep. And the Spirit of God
face of the deep.

3 And God said, Let
there be light.

And God saw the light, and it was good: and God divided the light from the darkness. And God called the light Day, and the darkness Night.

4 And God said, Let
heaven be gathered
and let the dry land
be seen.

5 And God called
the gathering of the
waters Seas: and the
dry land was called
Earth.

6 And God said, Let
the grass, the herb
yield seed: and let
the beast be fruitful
and multiply.

7 And God created
the great whales, and
every living creature
that moveth upon the
earth, and every winged
fowl.

Creation Joy Sukadi, Lilyana Margaretha, 2022-01-15 Many children grow up hearing that the universe came from nothing or that life is merely the result of chance. But what if the evidence points to something far greater? Creation, the first book in the Bible Comes to Life series, invites families to explore the wonders of God's design through science, history, and Scripture. This engaging Bible activity book helps children understand their origin, identity, and purpose in Christ. What Will Children Learn? In Creation, families discover the biblical truth of the creation story from Genesis and its connection to the world today. Kids learn how faith and science work together to reveal a loving Creator. Key questions explored include: How did our world begin? Was the Big Bang Theory true? Did the universe really explode from nothing? Did we evolve from the same ancestors as chimps? Where do dinosaurs fit in the Bible? Why did God create humans? Did God create only male and female, or is there more to His design? Engaging Activities for Deeper Learning: This interactive Bible activity book includes hands-on science experiments that demonstrate God's design in creation, arts and crafts projects that bring the creation story to life, interactive lessons using everyday household items, and discussion questions to spark meaningful family conversations. Through these activities, children internalize biblical truths and build a strong Christian worldview that will last a lifetime. Perfect for Christian families, homeschoolers, Bible study groups, and Sunday school teachers, Creation is an ideal tool for introducing children to biblical principles, helping them see the world through a biblical lens, and empowering your kids to understand God's design and remember these important truths about their origin and purpose in Christ. Start your child's journey of faith and discovery today. Explore the full Bible Comes to Life series where faith, science, and hands-on learning come together. **On**

Magic & Miracles Marian A. Jacobs, 2025-07-01 From classic fantasy like *The Lord of the Rings* and *The Chronicles of Narnia* to modern stories like *Harry Potter*, Christians have been debating the issue of fictional magic for decades. Some believers read and write fantasy as an expression of their God-given creativity, while others feel this is dangerous and ignorant of the growing threat of the occult. Deuteronomy 18 says spells and other forms of magic are an abomination, but how does that apply to fantasy magic? Is there a difference between the Deep Magic of Aslan at the Stone Table and the spells in *Harry Potter*? Is it possible for fictional magic to lead someone into the occult? Adults and children alike have wrestled with these questions as the fantasy genre exploded into one of the most popular book and film genres on the market. In this guidebook, Marian A. Jacobs explores the theology of magic, gleaned from contextual clues surrounding supernatural events in the Bible. These scriptural principles can assist readers, movie lovers, gamers, and parents in discerning how fantasy can both edify and honor God. *On Magic and Miracles* aims to answer the following questions: What is the difference between magic and miracles in the Bible? Is magic real? And if so, does it pose a genuine threat? Could books like *Harry Potter* lead someone into the occult? What is the importance of fantasy for Christians? How can I discern fantasy books, films, and games for myself and my children? **Mysteries of the Scriptures Revealed - Shattering the Deceptions Within Mainstream Christianity**
