Passion for Excellence Haralampos M. Moutsopoulos, 2025-02-01 This book chronicles the life and career of Haralampos M Moutsopoulos an internationally renowned professor of medicine and prolific researcher on Sjögren's syndrome and autoimmune rheumatic diseases In language that is simple and direct he takes us on a fascinating journey from the days of his first scientific awakenings at a hospital in his native town of Ioannina Greece through his university years in Athens and training in the US to his eventual return to his homeland In Greece he developed two centers of excellence in his field first at the newly founded University of Ioannina Medical School Department of Internal Medicine and second at the Athens University Medical School Department of Pathophysiology where he taught until his retirement in 2011 A major theme throughout the book and especially in this second edition is his impassioned struggle for excellence meritocracy and transparency in universities and in the National Health System in Greece This battle is relentless especially during critical periods like the pandemic era where human life was seriously threatened by the coronavirus and scientific community had to develop and pioneer novel therapeutic approaches and bold administrative solutions Peppered with both

amusing and unsettling incidents from this lifelong crusade to raise professional standards and against misconduct the book is a must read for anyone interested in learning about or entering the medical profession as well as for those whose goal is to lead an adventurous passionate life free from fear prejudice and mediocrity El-Hi Textbooks and Serials in Print, 1996 R R Bowker Publishing, Bowker, 1996-02 **Books in Print Supplement** ,2002 McGraw-Hill Education HESI A2 Review Kathy A.
