Goldberg,2013-04-23 The Death of the Income Tax explains how the current income tax is needlessly complex contains perverse incentives against saving and investment fails to use modern technology to ease compliance and collection burdens and is subject to micromanaging and mismanaging by Congress Daniel Goldberg proposes that the solution to the problems of the current income tax is completely replacing it with a progressive consumption tax collected electronically at the point of sale *Principles and Practices of Fiscal Autonomy* Giancarlo Pola,2016-03-03 This century has seen the continuation of long term trends in the movement of the territorial boundaries of nation states alongside the emergence of new tensions The repercussions of the Scottish referendum and the heightened urgency of the Catalonia question along with the continued economic problems faced by the Eurozone have given new energy and context to debates on institutional and fiscal autonomy Assessing the impact of increasing calls for wider fiscal autonomy in the UK Spain Switzerland Argentina Brazil Germany Italy and the USA this volume updates and adds significant new context to the debate Framing the discussion on fiscal autonomy and drawing out ethical considerations it portrays the problems connected with the devolution of responsibilities and financial resources to sections of the population sometimes content to be part of a lower layer of government sometimes aspiring to an asymmetrical position or total independence *Essentials of Economics* Glenn Hubbard,Anne Garnett,Phil Lewis,2012-10-17 Real examples Real companies Real business decisions Covering the core economics principles and providing engaging relevant examples within just nineteen Chapters Hubbard Essentials of Economics is the perfect teaching and learning resource for a one semester unit The authors present economics as a dynamic relevant discipline for Australasian students The key questions students of first year economics ask themselves are Why am I here and Will I ever use this Hubbard Essentials of Economics answers these questions by demonstrating that real businesses use economics to make real decisions every day Each chapter of the text opens with a case study featuring a real business or real business situation refers to the study throughout the Chapter and concludes with An Inside Look a news article format which illustrates how a key principle covered in the Chapter relates to real business situations or was used by a real company to make a real business decision *Value for Money in Government Building on Basics* OECD,2015-05-27 This report aims to identify new developments in the administration of central government that lead to better value for money better services at lower costs for the taxpayers [Indian Polity And Governance : For UPSC Civil Services and State PSC Examinations](#) Nitin Shivahare, To say anything about the relevance of Indian Polity it was the best of times it was the worst of times While on one hand sweeping changes in the pattern of questioning and less than kind marking in all papers including optional has shaken the confidence of the most ardent of its advocates on the other hand however the indelible presence of a substantial portion of Indian Polity in all papers has proved it beyond doubt that you can love it or hate it but you can never be indifferent

towards it This edition presents the dynamic aspect of Indian Polity the living breathing ever changing ever challenging democratic environment which is as complex as elusive and as mind boggling as the realities of India itself Democracy one can say is the arena where the various theories and principles wrestle grapple and jostle with each other to prove their pertinence and justify their existence This book has been done in an equally diligent and devoted manner for revealing the complexities while retaining the simplicity of the subject in hand I hope the present work will prove to be a fascinating informative and enriching read for both students and casual but curious readers alike

CJEU Case Law in Direct Taxation: Territoriality and Fundamental Freedoms Stephanie Zolles, 2023-07-13 The principle of territoriality and the fundamental freedoms The tension between the fundamental freedoms and the sovereignty of the Member States is omnipresent in the CJEU s case law on direct taxation A significant number of cases concerned one of the core principles in national tax laws the principle of territoriality Although this principle is continuously mentioned in cases concerning the compatibility of direct tax measures with the fundamental freedoms the case law seems to provoke more questions than answers This book provides guidance on the meaning of territoriality in the CJEU s case law on direct taxation as well as on the role which this principle plays in the compatibility of domestic direct tax measures with the fundamental freedoms During a critical and dogmatically oriented journey through the CJEU s case law the reader can enjoy a comprehensive analysis containing references to more than 300 cases Without a doubt this timeless reflection of the tension between the principle of territoriality and the fundamental freedoms is not only interesting from a dogmatic perspective but also from a tax policy one
