Questions and Answers about British History Peter Chrisp, Adam Hook, 2003 **Difficult Questions Have Easy**

Answers Atina Hseham, 2023-12-06 An inquiry made to obtain any information is known as an interrogation While asking the person tries to get an answer that allows him to satisfy his doubts The interviewers often ask simple questions in a very twisted fashion to confuse the candidates Difficult questions answers reflect the knowledge of the giver as well as his overall personality For example Which is heavier a kilogram of feathers or 1000 grams of lead Solution Both the weights are equal And What happened in Kolkata yesterday from 8 to 9 o'clock Solution An hour had passed These questions have a trick because they are framed in such a way that the answers seem simple but in reality they are not It can be said that the questioners confuse the candidates as they hide their answers using rhetorical resources and various devices In some cases the answer is found in the question itself but in secret Tricky questions are also used for fun or as a mental activity of logical practice Like a truck driver passing down a street in the wrong direction some policemen saw him but they didn't say anything to him why Solution Because the truck driver was on foot He shaves all day but still has a beard who is he Solution Barber Some months have thirty days and others thirty one but how many months have twenty eight Solution Every month has at least twenty eight days Which object becomes wet When it dries Solution Towel How do you draw a square with three lines Solution draw the square first and then draw three lines inside the square Thus an answer to a tricky question can lead to confusion due to the confusion generated question These types of questions are very specific to the areas in which people's knowledge or behavior is evaluated Generally such difficult questions can be perceived as misleading or incorrect because something is being implied that is not in reality However they can also be seen as methods whose precise purpose is to test the candidate and determine whether he or she is fully capable of answering the question that he or she is saying I know In this way about five thousand questions and answers have been given in the present book which is equally useful for all competitive examinations **1001 Questions and Answers on General History** Benjamin Hathaway, 2024-07-16 How

to Pass History College Publishing Corporation, Brooklyn, 1967 **Wanderings in the Land of Ham** A daughter of Japhet, Daughter of Japhet, 1858 The earliest known part of Africa was referred to as the Land of Ham and the daughter of Japhet in this work is a young lady who accompanies her mother and invalid brother to Egypt This is her account of their

travels and adventures on the Nile and usual excursions in and around Cairo Visits to Malta Gibraltar and Lisbon on the return voyage form the completion of a typical Oriental Grand Tour as it was termed during the 19th century Their journey began in Lyons on November 2nd 1854 arriving home in July of 1850 The treasury of knowledge ... Sixteenth edition ... greatly enlarged Samuel MAUNDER,1855 *The Hermit of the Pyrenees and Other Miscellaneous Poems. By Rednaxela [Hon. Mrs. Cropper].* ,1858 **The Campaigns of Hannibal ...** P. L. Macdougall,1858 **A Catalogue of New Works in General Literature** Longman, Brown, Green, Longmans, & Roberts,1857 **China, During the War and Since the Peace** Sir John Francis Davis,1852
