ECRM2014-Proceedings of the 13th European Conference on Research Methodology for Business and Management Studies Dr Martin Rich, Dr Anne Brown, 2014-06-16 *Opportunities and Challenges for Tourism and Hospitality in the BRIC Nations* Dhiman, Mohinder Chand, 2016-09-06 The stability and wealth of a nation's economy is dependent upon the success of various industrial sectors. The tourism industry has experienced massive growth in recent years, creating more jobs and becoming a source of foreign exchange. *Opportunities and Challenges for Tourism and Hospitality in the BRIC Nations* is a pivotal reference source for the latest scholarly research on the recent developments and contemporary issues within the services sector, highlighting cross-cultural implications as well as societal impacts of hospitality and tourism on emerging markets. Providing insight on managing and maximizing profitability, this book is ideally designed for researchers, professionals, upper-level students, and academicians involved in the services industry.

Harnessing Migration for Inclusive Growth and Development in Southern Africa Crush, Jonathan, Dodson, Belinda, 2017-04-11 The primary goal of this study is to present the results of a comprehensive scope of key opportunities and challenges for harnessing migration for inclusive growth and development at the regional level in Southern Africa. The main objectives were as follows: Provide an overview of regional migration stocks and flows; identifying regional trends, drivers, and impacts from existing research literature and official data; Profile migrant characteristics at the regional level, including demographic composition, types of migration, and occupational profile; Examine the relevance of multilateral, continental, and regional migration instruments, policies, protocols, agreements, and forums with a view to identifying actions required to move the regional migration management agenda forward and align with the goal of enhancing migration for inclusive growth and development in Southern Africa; Analyze the key initiatives, opportunities, and obstacles to developing a coherent, integrated, and rights-regarding approach to migration management, including areas of common commitment and ownership and points of actual and potential conflict and disagreement between states; Conduct a gender analysis of regional migration dynamics, including gender dimensions of migration challenges, dangers, and vulnerabilities confronting migrant women and other vulnerable groups; and gender analysis of migration management in Southern Africa. Identify potential programming areas that are weak or underdeveloped.

Textiles, Identity and Innovation: In Touch Gianni Montagna, Manuela Cristina Paulo Carvalho Figueiredo, 2020-05-19 D_Tex is proposed as a hub around which it is possible to look at textiles in their different forms in order to better understand, study, adapt, and project them for the future. It is intended to build a flow of ideas and concepts so that participants can arrive at new ideas and concepts and work them in their own way, adapting them to their objectives and research. D_Tex is intended as a space for sharing and building knowledge around textile material in order to propose new understandings and explorations. Present in all areas of knowledge, the textile material bets on renewed social readings and its evolutions to constantly reinvent itself and enable innovative cultural and aesthetic dimensions and

unexpected applications to solve questions and promote new knowledge D_Tex proposes to promote discussion and knowledge in the different areas where textiles with all their characteristics can ensure an important contribution combining material and immaterial knowledge innovative and traditional techniques technological and innovative materials and methods but also new organization and service models different concepts and views on teaching With the renewed idea of the intrinsic interdisciplinarity of design and sharing with different areas that support each other the research and practice of textiles was proposed by the D_TEX Textile Design Conference 2019 held June 19 21 2019 at the Lisbon School of Architecture of the University of Lisbon Portugal under the theme In Touch where as broadly understood as possible different areas of textiles were regarded as needing to keep in touch with each other and end users in order to promote and share the best they can offer for the welfare of their users and consumers
