The Toyota Leaders: An Executive Guide tells how they did it and in such a way that allows readers to apply the lessons. Discover how Toyota is more than just a series of good business moves, but a culture first put into place by its founders and built on through the years. Learn how General Motors supplied invaluable business know-how to then provincial Toyota in the early eighties. Discover why Toyota thinks giving back to Japan and the world is a smart idea. Learn how a national healthcare system is a good thing for business. This is the Toyota book for entrepreneurs and executives in all industries, not just manufacturing.
