Electronic Networks Tharon W. Howard,1999 In spite of all the hype about the Internet and the ways networks are changing the face of education there is surprisingly little information of pragmatic value to teachers This book addresses that problem head on Electronic Networks is a book written by practicing classroom teachers about actual instructional computing projects in real classrooms Rather than talk about the classroom of the future the authors provide the help teachers need to integrate instructional technologies in their classrooms They do so by addressing the real problems and real successes of teaching in networked environments One way to read this book is to look for specific conditions and activities that ensure success with computers Taken as a whole the book is an argument for building a human infrastructure at the same pace we are installing computers and writing for developing effective ways to assess whether students are truly benefiting from technology and for addressing issues of equitable use [The Fast, the Fraudulent & the Fatal](#) Michael Bender,2009-03-18 Stolen vehicles and stolen lives are abound in this dark and dangerous underground that has taken over our highways and streets all in the name of fun A fact filled assault on illegal street racing drifting stunting and even car shows often inundated with larceny deceit injuries and death Exam years of hands on real stories of theft fraud and the Fast and Fraudulent scene and what can be done to identify problem areas recover stolen vehicles and parts identify fraud save lives prevent injuries and protect property This internationally recognized expert has researched every angle of this scene packing pages with facts investigative techniques and solutions Over a decade of hands on investigations and requests for training on this scene prompted this book With testimonials including such praises as Mike Bender s presentation concerning the direct link between Street Racing and Auto Crimes is without the doubt the most comprehensive available world wide Mike s direct knowledge and enthusiasm is very evident in the first minutes of his presentation As a long time auto crimes investigator and a drag racer I can attest that Mike s program is filled with current and accurate information This class is a must for any street officer auto theft investigator or insurance investigator A must read for Law Enforcement Auto Theft Investigators Insurance Companies Fraud Investigators Parents and Educators To view chapter content and learn more about the fatal consequences of illegal street racing go to <http://protectourstreets.org> and click on the book **Automotive News**
