World History, 2000 **World History** Holt Rinehart & Winston, Holt, Rinehart and Winston Staff, 1998-01-09 *The History and Political Transition of Zimbabwe* Sabelo J. book examines Syrian displacement since the start of the 2011 conflict. It considers how neighboring refugee hosting states namely Jordan, Turkey and Lebanon have responded to Syrian refugees as well as how the international humanitarian community has assisted and protected refugees and internally displaced persons (IDPs). Miller examines Syrian displacement as it relates to EU and US policies and relates Syrian displacement to broader themes and debates on the international refugee regime and humanitarian intervention. The book argues that displacement is not a mere symptom or byproduct of the conflict in Syria but a key variable that must be addressed with any peace plan or strategy for ending the conflict and rebuilding Syria. Responses to displacement should therefore not just be thought of in a humanitarian context but also as a political security and economic issue. Drawing on media reports, research briefs, scholarly books and articles, NGO reports and UN research to contextualize and critically analyze the blur of headlines and rhetoric on Syria, the book seeks to shed light on the political and humanitarian responses to displacement. It seeks to inform policymakers, practitioners and scholars about the current Syrian displacement situation, helping to make sense of the complex web of literature on Syrian refugees and IDPs.
