How often have you returned from a trip to the outdoors disappointed at not having seen any animals? Some days even birds, other than bold and friendly ones, are hard to see. Wait! There are certain explanations for this. Perhaps you were walking too fast or noisily on the dry, leaf-littered forest floor or you were talking non-stop with a friend? Or wearing bright-coloured clothes with a million little things jingling in your pockets? Before setting out, be sure to prepare for your trip.

Always wear dull, earth-coloured clothes in the woods. Never carry or wear shiny, metallic objects. Wild birds and animals are extremely sharp-eyed and alert.
