My Father's Fortune Michael Frayn, 2025-10-16 For the first time Michael Frayn the master of what is seriously funny turns his humor and narrative genius on his own family's story to re create the world that made him who he is Whether he is deliriously funny or philosophically profound as a novelist and a playwright Michael Frayn has concerned himself with the ordinary life lived by erring humans which is always more extraordinary than people think In My Father's Fortune Frayn reveals the original exemplar of the extraordinary ordinary life his father Tom Frayn A clever lad a roofing salesman with a winning smile and a racetrack vocabulary Tom Frayn emerged undaunted from a childhood spent in two rooms with six other people all of them deaf And undaunted he stayed through German rockets feckless in laws and his own increasing deafness through the setback of a son as bafflingly slow witted as the father was quick on his feet through the shockingly sudden tragedy that darkened his life Tom Frayn left his son little more than three watches and two ink and wash prints But the true fortune he passed on was the great humor and spirit revealed in this beguiling memoir Anthony Burgess

Underneath Ian D. Hall, 2022-07-03

Underneath not on the surface That s where the truth of our existence lies sometimes buried under years of punishment suffocating choking on the dirt we have carried with us so deep in our soul where no one will ever find it Sometimes it scratches clawing at the thin veneer of the respectable face we present to the world hoping to pierce to pop the bloated fa ade of all we refuse to acknowledge we have done Underneath the skin lies the dirt we have on ourselves We hide it from the investigations of others while knowing that if we were to slice the surface and let the dirt run free we would be

liberated from this human prison in which we are securely kept Underneath *More Stories: A Book Of Poems* Don Edwards, 2018-08-06 *More Stories A Book Of Poems* continues the themes of Love and Death from his previous book *Scars and Stories Poems* These poems show us that love can elevate us above the gravity of everyday life At the same time we are reminded that despite our sense of decision making power we live with a mere illusion of control The clock is constantly ticking but we can offer and accept love and in so doing not fear the darkness or the final day Don Edwards received a Masters Degree in English from the University of Tennessee His first book of poetry is *Scars and Stories Poems* He lives in Los Angeles with his wife and children *Scottish Devolution and Social Policy* Murray Leith, Iain McPhee, 2012-03-15

Through the analysis of specific policy areas in Scotland and a consideration of key social issues this work examines devolved policy in a number of specific areas and the changes wrought by the first decade and more of devolution in those areas Each chapter considers specific aspects of social policy in Scotland and the final chapter addresses whether the founding principles of Scottish devolution have transferred from principles to policy The various ideas and themes all relate to the core ideas that underpinned devolution and the creation of the Scottish Parliament While policy areas are directly addressed within most chapters others consider class equality and the removal of the democratic deficit This work judges whether these larger issues as well as individual areas of social policy have been better addressed within contemporary Scottish society since devolution took place
