detailed examination of the literary linguistic and codicological evidence linking the authorship of the Equatorie with Chaucer She analyses and compares the manuscript with other specimens proposed as Chaucer's hand and evaluates the available methods of testing The volume includes a new transcription of the Equatorie accompanied by a facsimile of the MS and a KWIC concordance to the text Diplomatic transcriptions of three Middle English astronomical texts have also been included and are printed here for the first time Dr KARI ANNE RAND SCHMIDT is a language specialist teaching in the Department of English at the University of Oslo
