Daily Graphic Ransford Tetteh, 2014-09-17 **Boot Camp Blues** Megan Sparks, 2013-09-12 Annie s broken up with Tyler and is nursing a broken heart It doesn t help that he s now going out with snooty Kelsey That s not all that s going on Annie s roller derby coach has announced she will be selecting the best roller girls to form an all star team Annie really wants to be on it but she knows her chances are slim Coach organises a boot camp to help the girls prepare Tensions run high as the Liberty Belles compete with each other for an all star position **Brooklyn Bounce** Jake Appleman, 2015-02-03 Even before they d ever played a game the Brooklyn Nets were outselling the New York Knicks in team apparel and merchandise In their first season they ranked fourth in league wide jersey sales indicative of the trendy appeal and broad fan base When the Nets played their first game at Barclays Center in downtown Brooklyn in the fall of 2012 they succeeded in bringing professional sports back to Brooklyn for the first time since the Dodgers abandoned the borough in 1957 Now

Brooklyn Bounce chronicles the historic first season full of highs and lows plenty of them entirely unexpected Jake Appleman takes us inside the locker room combining vignettes and interviews from the team's transition from the New Jersey swamp to gentrified Brooklyn to an opening night delayed by Hurricane Sandy to an epic seven game playoff showdown with the Chicago Bulls The Nets were the game's foremost paradox in 2013 a team that managed to be the most improved in the NBA but also consistently disappointed What made them interesting wasn't their style of play or even their unique collection of personalities it was their constant state of re-invention and their evolving relationship with their new home as the Barclays crowds would chant it BrooOOOK LYN

Beast Richard Van Camp, 2024-10-12 Returning to a favourite Northwest Territories setting Richard Van Camp brings his exuberant style to a captivating teen novel that blends the supernatural with 1980s era nostalgia to reflect on friendship tradition and forgiveness For as long as Lawson can remember his life in a small Northwest Territories town has revolved around the Treaty between the Dogrib and the Chipewyan set down centuries ago to prevent the return of bloody warfare between the two peoples On the Dogrib side Lawson and his family have done their best to keep the pact alive with the neighbouring Cranes a family with ancestral ties to a revered Chipewyan war chief But even as Lawson and his father dutifully tidy the Cranes property as an act of respect their counterparts offer little more than scowls and derision in return despite the fact that both families are responsible for protecting the treaty Worse still it seems that one of the Cranes boys is doing all he can to revive the old conflict Silver fresh out of jail has placed himself in the service of a cruel ghoulish spirit bent on destroying the peace Now it's up to Isaiah Valentine a Cree Grass Dancer Shari Burns a Metis psychic and Lawson Sauron a Dogrib Yabati or protector to face what Silver Cranes has called back This latest feat of storytelling magic by celebrated author Richard Van Camp blends sharply observed realism and hair raising horror as it plays out against a 1980s era backdrop replete with Platinum Blonde songs and episodes of Degrassi Junior High Unfolding in the fictional town of Fort Simmer the setting of previous Van Camp

Burning Ambition Elizabeth Cooper, 2022-07-19 Burning Ambition explores how young people learn to understand and influence the workings of power and justice in their society Since 2008 hundreds of secondary schools across Kenya have been targeted with fire by their students Through an in depth study of Kenyan secondary students

use of arson Elizabeth Cooper asks why With insightful ethnographic analysis she shows that these young students deploy arson as moral punishment for perceived injustices and arson proves an effective tactic in their politics from below Drawing from years of research and a rich array of sources Cooper accounts for how school fires stoke a national conversation about the limited means for ordinary Kenyans and especially youth to peacefully influence the governance of their own lives Further Cooper argues that Kenyan students actions challenge the existing complacency with the globalized agenda of education for all demonstrating that submissive despondency is not the only possible response to the failed promises of education to transform material and social inequalities

Judy Garland Anne Edwards, 2013-04-16 Edwards's biography presents a complete picture of the late actress and not just the boozing drug addicted caricature of a woman central to lesser biographies We learn for example that Garland saw it as her duty to provide for her family financially a generosity that her mother Ethel exploited with disastrous results Above all Judy Garland sought to please whether it was an audience or a studio head and therein lies her powerful and heartbreaking story

Victory through Harmony Christina L. Baade, 2013-09-01 To serve the British nation in World War II the BBC charged itself with mobilizing popular music in support of Britain's war effort Radio music British broadcasters and administrators argued could maintain civilian and military morale increase industrial production and even promote a sense of Anglo American cooperation Because of their widespread popularity dance music and popular song were seen as ideal for these tasks along with jazz with its American associations and small but youthful audience these genres suddenly gained new legitimacy at the traditionally more conservative BBC In *Victory through Harmony* author Christina Baade both tells the fascinating story of the BBC's musical participation in wartime events and explores how popular music and jazz broadcasting

helped redefine notions of war gender race class and nationality in wartime Britain Baade looks in particular at the BBC's pioneering Listener Research Department which tracked the tastes of select demographic groups including servicemen stationed overseas and young female factory workers in order to further the goal of entertaining cheering and even calming the public during wartime The book also tells how the wartime BBC programmed popular music to an unprecedented degree with the goal of building national unity and morale promoting new roles for women virile representations of masculinity Anglo American friendship and pride in a common British culture In the process though the BBC came into uneasy contact with threats of Americanization sentimentality and the creativity of non white others which prompted it to regulate and even censor popular music and performers Rather than provide the soundtrack for a unified People's War Baade argues the BBC's broadcasting efforts exposed the divergent ideologies tastes and perspectives of the nation This illuminating book will interest all readers in popular music jazz and radio as well as British cultural history and gender studies **Camp Bowie**
