The Cleaner Beth Wakefield, 2010-05-26 The Cleaner's only crime was to fall in love and of course it had to be with the spider King's favourite daughter In the hope that he would get killed the King set The Cleaner three tasks The first was to get the right toe nail off a giant The second a moonbeam And the third the end of a lion's tail He successfully completed all the tasks with the help of his friend Earwig They both nearly got killed many times But in the end the king agreed to let them marry with fatal consequences

The Women's Sultanate P.S. Garbol, 2009-12-29 In the fabulous surroundings of the sacred city of Christianity and Islam Constantinople or Istanbul a young innocent but desperate housewife of striking beauty gradually becomes entangled in a web of a glamorous career in fashion modeling trusting the promises of a unscrupulous filthy rich Jewish patroness for a rapid financial advancement and a luxurious lifestyle However soon enough the two roles undergo a profound transformation as the patroness motives prove to

be much more subtle and noble than simply turning a pretty woman into a pin up girl or possibly an aristocratic call girl while the innocent victim's secret intentions are much more hideous than simply starting a lucrative career in fashion or artistic photography might imply In fact after an unexpected and mysterious death it becomes even vaguer if this tragic event is just an accident or a well orchestrated assassination by a blackmailed victim Incidentally two retired military officers from the EU who are visiting Istanbul as tourists investigating mysterious historic events as archeological amateur detectives get also involved in this enigmatic affair as they discern several fuzzy coincidences relating this untimely death with the accidental demise of a past Ottoman Sultan many centuries ago The fog over Istanbul gradually thickens as progressively more unscrupulous people intentionally or unwillingly get involved in the conspiracy motivated by a great variety of unclear and possibly conflicting intentions This significant increase in the number of participants is promptly followed by another assassination attempt that nearly misses its target In the ensuing chaos where fanatical competitors become momentarily trusted allies practically all the participants lose their bearings driven only by the urge to prevail when the fog is finally dispersed Only the hideous murderer knows exactly what must be done because his or her aims are the most clearly defined

But We Pray AiR - Atman in Ravi,2020-06-27 Most of us have not realized the truth about God God is not the statue that we pray to nor is God a saint God is a Power a Universal Power Moreover we recite from scriptures we chant mantras and sing devotional songs but we still don t understand the meaning of our prayers Should we not realize the truth about God and then pray Should we not make our prayers effective so that our communication with God works This book will unlock the door to true prayer as it will help us realize God not in some temple mosque or church but as we search for the truth we will realize God in the temple of our heart
