Heroes Gabriel Archer, Jack Canaan, 2012-08-31 Ordinary Words, Extraordinary Deeds John W. Wurster, 2003 The stories of Jesus miracles can be challenging to modern sensibilities conditioned as we are to believe that there must be a logical explanation for water being turned into wine or nets suddenly overflowing with fish But John Wurster suggests that for contemporary preachers and their listeners the most important question raised by these remarkable accounts is not How did they happen but rather What do they mean Ordinary Words Extraordinary Deeds helps answer that question by exploring the theological significance of the nine miracle stories appearing in Cycle C of the Revised Common Lectionary Each chapter includes the biblical text along with interpretive reflections that set the passage in its literary context and connect it to major themes of the gospel writer There s also a section investigating a variety of preaching possibilities and offering brief thoughts about what these texts tell us about the sacraments since like the miracles the sacraments make grace evident in ways we can touch and feel Specifically geared for the busy pastor with limited time this is an excellent volume packed with valuable idea starters and rich material for sermon development But it s also stimulating reading for anyone who wants greater insight into these marvelous stories of God s power at work Chapter titles include The Star Matthew 2 1 12 Wedding At Cana John 2 1 11 Jesus Transfigured Luke 9 28 36 The Lepers Luke 17 11 19 and five more John W Wurster is a graduate of Trinity University in San Antonio Texas B A summa cum laude Princeton Theological Seminary M Div and Austin Presbyterian Theological Seminary D Min Currently the pastor of First Presbyterian Church in Findlay Ohio Wurster has previously served congregations in Texas Ohio New Jersey and Pennsylvania He is the author of What If What They Say Is True CSS a collection of sermons on prophetic texts **Antiheroes** , 2011-07-26 The most interesting characters are almost never the good guys Doing the right thing is great and all but a little bit of darkness or a lot of it often makes for a more engaging story Antiheroes Heroes Villains and the Fine Line Between is dedicated to the dark heroes and sympathetic villains we love Find out why William McKinley High s agonist Sue Sylvester is essential to Glee Discover where your favorite comic book character falls on the continuum of good and evil Weigh in on Twilight s very dangerous boy Edward Cullen romantic sparkly hero or sociopath suffering from Antisocial Personality Disorder Plus other essays on The Vampire Diaries most antiheroic antihero Damon Salvatore America s favorite serial killer Dexter Morgan and the nature and nurture of evil The curious appeal of Alias Arvin Sloane Supernatural s vampire hunter cum vampire Gordon Walker The shared monstrosity of Spider Man Doc Ock and the Green Goblin Gun slinging necromancer Anita Blake and the benefits and pitfalls of embracing the monster within This brand new e book only collection of essays remixed from previous Smart Pop series titles gives a funny and thought provoking in depth look at the antihero from the villains just a little too good to be unequivocal bad guys and the heroes just a bit too bad to be truly good *From Hobbits to Hollywood* , 2006-01-01 Peter Jackson s film version of The Lord of the Rings 2001 2003 is the grandest achievement of 21st century cinema so far But it is also linked to topical and social concerns including war terrorism and cultural imperialism Its style symbols narrative and structure seem always already
