The Whole Guitar Neck Steven Coco, 2022-05-06 Please be sure you have read our introduction at www.TheWholeGuitarNeck.com We've made our full method introduction available for free there and it is an integral part of our complete method. Our method is a musically complete method and it is not limited to only the diagrams that you may see in the previews. Also, each book is available in right-handed and left-handed formats; be sure to select the correct format. This book covers the Diatonic WHW Tetrachords and is for 6 String Guitar and Left Handed players picking with the left and fretting with the right hand. The Whole Guitar Neck is an authentic and concise guitar method based only on musical rudiments and an easy learning path. Primary components are large books of guitar neck charts of various scales in all chords and all modes. Our method brings you a firm grasp within any fingering on any diagram along the whole neck. The book is in two parts and is available for many scales. For the particular scale, the book includes a collection of dozens of large charts for that scale and each one is given in all chords and all modes for that scale. Every book also includes our complete method. Our method then gives you all of the musical components and it will provide you with robust and easy orientations. You will be able to confidently grip the neck from any position and have orientation along any musical line of your own. You will gain the perspective of seeing all of the charts from the markers out and you will feel oriented at any position. Our musical method is also applied to your own music in addition to any scales. Getting all the way down to the rudiments in our method will reveal that the diagrams come second to the music and there's even a lot more than just one anchor in one diagram. They will all fall away into your own music. Our easy rudiments-based method is musically sound and that is what simply leads out to all of these shapes on the whole neck and our books have been designed to free up the whole neck. Our method is based only on the music while still as easy to grasp as a simple-looking diagram.

Unorthodox Life Rudy Rosenberg, 2013-04 UNORTHODOX LIFE In the 1930s Germany, the most powerful and ruthless nation in the world decreed that our family was to be exterminated. Rudy Rosenberg, born in Belgium in 1930, found himself and his immediate family locked in Belgium. Rudy's sister Ruth, Hillel's Poland-born father, and Frieda, his German-born mother, Jewish and Stateless, were unable to break out of Europe. The family watched the growth of Hitler and his Nazi anti-Semitic policies with increased concern, hoping that unlike in the Great War 1914-1918, Belgium's neutrality would be respected by Germany. 1935 Anti-Jewish laws began in Germany. Frieda's family would be murdered and wiped out during 1942-1943. 1938 Hitler marched into Czechoslovakia. Hitler marched into Austria. 1939 Hitler invaded Poland. Hillel's family would be murdered and wiped out. 1941-1942 we heard of Jews being hunted and killed by the German invaders. 1940 In April Hitler invaded Denmark and Norway. 1940 in May Hitler invaded Belgium, Holland, and France. Rudy and his family watched and remembered the anti-Jewish vitriol that seeped into occupied Europe and even in previously benign Belgium. Starting in 1941 the first arrests of thousands of Belgian Jews came about. These were released through the personal intervention of Belgium's Queen Elizabeth. These Belgian Jews would later

be arrested and deported again in 1943 In 1942 Rudy Ruth and countless Jewish students were forbidden to continue their schooling The family was left with limited choices We had to either try to flee to unoccupied Switzerland or hide in convents or Christian camps or private homes A last alternative was to await the German troops for the deadly arrest and deportation to concentration camps mostly in Poland or Germany where swift death would be certain In June 1942 we purchased fake identity papers so we could flee to Switzerland Unfortunately we soon learned that this escape route was too dangerous and not practical Our parents found a safe hiding place in the Ardennes for Ruth and Rudy For a fee Frieda found a basement to hide in Ixelles a suburb of Brussels in a private home Hillel for a much larger fee found a hiding place in a private house in Uccle another suburb of Brussels For safety reasons after about three months Ruth and Rudy left the hotel in the Ardennes Ruth and Rudy went to hide and joined with father in Uccle Six months later in March 1943 Rudy went to hide with Frieda in her Ixelles basement where they remained in hiding until they were finally liberated on the 3rd of September 1944 after hiding in the basement for 17 months The family spent over two years 27 months 823 days in hiding We then tried to resume our educations live again and become normal people again Eventually Rudy left Europe for the USA joined the US Army during the Korean conflict Frieda and Ruth joined Rudy three years later In 1991 Rudy wrote and published *And Somehow We Survive* an account of the struggle of his family to survive Now Rudy Rosenberg expands his life and the attempts to sort out the early life survival and his arrival in the USA There he details his bewildering coming to terms with his ethnic background a faith he never knew and the religion he ran away from **AN UNORTHODOX LIFE**
