Allion 2008 User Manual:

The Routledge Handbook of Poverty in the Global South Rajendra Baikady, John Gal, Varoshini Nadesan, Sajid S.M., Gao Jianguo, 2023-12-01 This handbook initiates fresh debates on poverty and its impact in a constantly changing Global South society. It studies the concept, theories and causes of poverty as well as the design and delivery of social welfare policies related to specific groups such as women, children and the elderly. The chapters are theoretical evidence based and empirical in nature and bring together a holistic understanding of social problems and issues in developing countries. The volume brings together researchers, educators and practitioners from across the globe to develop a hands on reference work that will be requisite for several social science disciplines concerned with poverty and the welfare of poor people. The first of its kind, the handbook will be indispensable for scholars and researchers of development studies, economics, social work, political studies, poverty studies, population and demographic studies, sociology, social anthropology, public policy and political economy, especially those concerned with the Global South.
