Pawson, 2013-12-01 Turning water into wine took Jesus a few minutes Changing a reed which Simon means into a rock Peter took quite a few years Which is the greater miracle transmuting nature or transforming human nature Many identify with Simon Peter's weaknesses not least his knack of opening his mouth and putting his foot in it On one occasion he even swore that he didn't know his best friend just to save his own skin Jesus taught this fisherman how to catch more fish than how to catch people He used that unruly tongue to preach the good news of his death and resurrection for the very first time netting thousands for the kingdom of God In this book David Pawson draws some unexpected lessons from Peter's failures and successes for both our individual and corporate lives as part of the Church of which Peter was the original pastor

Re-Calling Ministry James E. Dittes, 2010-04-01 In the press of everyday considerations pastors sometimes forget why they chose to be ministers in the first place James E Dittes reminds and offers honest poetic observations on the predicament the pressure the particularity and the presence of ministry Healing in the Bible Frederick J. Gaiser, 2010-10-01 In the midst of an ongoing debate about health care what does the Bible say about healing Here a respected scholar reads biblical texts on health and healing with care and imagination engaging the reader in lively conversations with the text and with questions of contemporary theological and pastoral concern Gaiser offers close readings of fifteen key Old and New Testament passages considering their significance for the church's understanding of healing and its ministry today The book examines such significant matters as God's role in healing the relation between sickness and sin healing and prayer God's healing and medical science and healing under the sign of the cross offering fresh insights for anyone interested in Christian views on healing **You Can Create Your Season of Manifestation (Keys for Outstanding Greatness)** Ezeugo The Great, *When The People Say No* James E. Dittes, 2004-08-03 Psychological insight theological understanding and biblical metaphor combine here to offer solid help for a little understood aspect of the minister's task What is the minister to do when confronted with opposition from his or her own congregation when met with frustration in his or her ministry With empathy

for both the minister's plight and the congregation's pain James Dittes shows how these very frustrations can be the beginning of real and healing ministry When the people abandon the intimacy and openness of the church with appeals for agenda and rigidity when projects begun with enthusiasm collapse in apathy when the people demand that the minister conform to their image of him or her all these bespeak a need even an unspoken pain underlying the surface conflict At the very point the minister most feels the desire to pack up and move on his people may most need him to stay When the People Say No will help every minister recognize this enigmatic call and meet it with a creative and healing response
