Alone And On Foot Ignatius Of Loyola:

Alone and on Foot Brian Grogan, 2009-02 Few persons in the history of the world have touched the lives of their fellows as profoundly and pervasively as Ignatius He has assumed his place among the greatest figures in Western Christianity One of the greatest mystics in the Church his was an astonishing career Back cover **Experiencing Scripture as a Disciple of Jesus** Dave Ripper, 2025-06-03 Discover new vibrant ways to experience God's presence through Bible study Experiencing Scripture as a Disciple of Jesus offers a unique pathway to deeper spiritual engagement using Dallas Willard's revolutionary approach to reading the Bible More than a study tool Experiencing Scripture as a Disciple of Jesus invites you to transform your encounters with Scripture from mere information gathering to profound spiritual experiences Using primary source material and insights from Willard Dave Ripper takes you on an immersive exploration of Scripture that mirrors the intellect of a philosopher and the heart of a mystic You'll find experiential exercises designed to prompt reflection and foster enriching group conversations helping you not just to read but to truly know the God of the Bible Perfect for pastors ministry leaders and spiritual seekers shaped by voices like Eugene Peterson and Richard Foster Experiencing Scripture as a Disciple of Jesus offers a call to experience God's presence in new and vibrant ways Experiencing Scripture as a Disciple of Jesus is a valuable resource for anyone seeking to deepen their understanding and connection with Scripture as a disciple of Jesus It offers practical tools insights and exercises that can be applied both individually and in group settings By incorporating the teachings of Dallas Willard Experiencing Scripture as a Disciple of Jesus provides a unique perspective on reading the Bible that goes beyond simple information gathering Ripper aims to demonstrate that encountering God through Scripture is according to Willard the primary vehicle for a life of authentic Christian spiritual formation Protestant spiritual formation via Dallas Willard for those seeking a deeper spiritual engagement Library Journal Review May 2025 **The Way to Manresa** Brendan McManus, 2021-04-01 This book is about a walk on the Camino Ignacio in Spain that ended in failure through injury that ironically illustrates key aspects of Ignatian Spirituality Ignatius himself was a wounded soldier and limped his way across Spain as he managed to turn apparent failure into a great conversion to Christ Ignatius' injury revealed that God had a better plan for him and letting go of control paradoxically allowed God in This book illustrates that same dynamic an unexpected injury that throws everything up in the air the struggle to let go of plans and expectations trying to discern in difficult situations with incomplete information It is a roadmap for those seeking to make sense of failure and reinterpret it in God's eyes that allows for new life and meaning The fact that this walk takes in key Ignatian sites such as Loyola Naverette and Manresa gives even more insight into Ignatius' experience as a limping pilgrim Readers will find here a concrete spirituality of real life that helps with decision making dealing with suffering facing failure perseverance surrendering to life and making the best out of difficult situations Those dealing with failure disability or injury will find a message of hope and consolation to deal with hopelessness and depression *First Belong to God* Austen Ivereigh, 2024-02-29 Drawing on the

wisdom of Pope Francis and the spiritual Exercises of St Ignatius of Loyola austen Ivereigh has written a captivating spiritual guide for our turbulent age Designed as an eight day Ignatian retreat First Belong to God serves as a roadmap to deeper discipleship It does this by focusing on the three foundational forms of belonging to God to creation and to others Whether you re embarking on a solitary spiritual expedition or a journey with like minded individuals First Belong to God offers the next best thing to a personal retreat with Pope Francis a full soul immersion into his wisdom via the classic Jesuit retreat that shaped him profoundly

Communal Discernment Brian Grogan,2025-03-31 Helps communities and groups grow in communion enhance communication and make collaborative decisions using Ignatian discernment practices effectively This book is aimed at groups communities parishes institutions couples teams students young adults etc who wish to grow in communion and make decisions together The book is based on a wealth of experience shares numerous examples and provides a toolbox that has proved its worth Esdac is a Christian Ignatian international association that puts Ignatian spirituality at the service of groups and offers in various ways a journey of discernment inspired by the Spiritual Exercises of Saint Ignatius to associations communities families couples and groups They encourage participants to learn to communicate better with each other so that everyone is listened to and dares to express themselves They help to discern the call that the Lord addresses to them today by listening to each of the members and to the whole group The group explore directions together and make mature decisions together This comprehensive guide will help leaders to implement the programme in practice

With Christ in Service Patrick Carberry,2017-01-06 In an ever changing and unpredictable world Ignatius wanted Jesuits to be alert to the needs of people in the concrete circumstances of their lives and to be free to respond appropriately Rooted in the practice of discernment and united through the vow of obedience the Jesuits were to be flexible and creative going wherever there was the greater need always keeping in mind the greater service of God and the more universal good This little book tries to encapsulate some of the responses the Jesuits have made through the ages by focusing on the lives of a few remarkable individuals The variety is suggestive of the Jesuits range of activities from the hidden ministry of John Sullivan to the public protests of Dan Berrigan from the unimaginable journeys of Francis Xavier to the theological insights of Karl Rahner from the heroism of Edmund Campion to the inspiring leadership of Pedro Arrupe There are many other striking stories that need to be told of course that are not included here the mission to Ethiopia in the sixteenth century the initiatives of the Jesuits in China the South America and present day Canada in the seventeenth and eighteenth centuries the vast educational network that made the Jesuits the schoolmasters of Europe and the numerous Jesuit astronomers scientists artists and poets who have enriched human learning and culture down to the present day

Redemption Road Brendan McManus,2014-06-23 Finding God in All Things Brian Grogan,2021-04-01 Fr Brian Grogan has written an extraordinary book for ordinary people In simple clear language he shows how God is involved in all the details of our lives God does not blush easily at our faults he writes In failure or in success every individual remains

uniquely important to God He waits for us searches for us and cares for us always drawing us to the person of Jesus who offers himself as our constant companion on our pilgrim way and who helps us to shape our world by making wise decisions

The Pilgrim's Story Brendan Comerford, 2017 A concise and very readable account of the life and spirituality of Ignatius of Loyola stressing the importance of personal experience of God both in his own life and in the life of the reader The author places Ignatius firmly in the context of the volatile and fast changing Europe of the sixteenth century He avoids portraying him as a plaster saint and allows some of his contemporaries to give their own opinions of him some positive and some negative He portrays a very human Ignatius through whom God was able to do great things The chapters on the Spiritual Exercises are designed to make their content accessible to the general reader with the author sharing some of his own personal experiences of directing the Spiritual Exercises Pope Francis speaks a great deal about the necessity for discernment and this book explains what Ignatius meant by discernment of spirits and how he proposes we can live in a discerning way in the business of our everyday it will be of help to those who desire to make good decisions in their lives finding echoes of their own experience in the life and teaching of Ignatius Book jacket

Early History of the Southwest Through the Eyes of German-Speaking Jesuit Missionaries Albrecht Classen, 2013 The history of the United States has been deeply determined by Germans throughout time but hardly anyone has noticed that this was the case in the Southwest as well known as Arizona Sonora today in the eighteenth century as Pimer a Alta This was the area where the Jesuits operated all by themselves and many of them at least since the 1730s originated from the Holy Roman Empire hence were identified as Germans including Swiss Austrians Bohemians Croats Alsatians and Poles Most of them were highly devout and dedicated hard working and very intelligent people achieving wonders in terms of settling the native population teaching and converting them to Christianity However because of complex political processes and the effects of the black legend all Jesuit missionaries were expelled from the Americas in 1767 and the order was banned globally in 1773 As this book illustrates a surprisingly large number of these German Jesuits composed extensive reports and even encyclopedias not to forget letters about the Sonoran Desert and its people Much of what we know about that world derives from their writing which proves to be fascinating lively and highly informative reading material
