Teacher's Pet: Emma - An Erotic Alpha Male Professor and Student BDSM Romance Box Set Bundle Francesca Young,2015 The Dirty Thought That Slipped Out (Alpha Male BBW Student/Teacher Discipline Erotica) Miranda Cruz,2015-04-23 Reader Advisory This story is for mature audiences only and features intensely erotic situations sexy alpha males and BBWs taboo teacher student relations discipline spanking humiliation submissiveness and dominance All characters are 18 or older Chrissy doesn't know why she started the rumor about Professor Simmons her young and handsome literature professor Maybe it was a plea for attention or maybe it was just a way of making a long hidden fantasy become slightly real But whatever the reason the rumors have made their way to the Dean of Student Affairs Mr Munson himself and when Chrissy is called down to the office on a Friday afternoon she finds out he's heard a lot more Once past the initial mortification she can admit she's probably earned the spanking she'll get but did he really have to tell Professor Simmons about the whole thing too Surely he'll find his own ways to settle accounts and all Chrissy can do is wait and see which method will leave her more sore Excerpt The ensuing silence was awful After daring the initial glance towards Professor Simmons my eyes had stayed locked on a spot on the floor near the leg of the desk I could feel him considering me Won't you say something Professor I finally blurted I'm trying to understand you Chrissy What's to understand I shouldn't have said I just made a mistake What did you want I struggled with the question I guess I just sort of liked the idea of it to tell the truth I said finally in a very quiet voice I'm just so incredibly embarrassed Professor He blinked in surprise Then he started to laugh Is that what it was he said I thought I saw something in the way you looked at me and it made me lie all the harder to understand He closed the door of the office and stepped into the room But then again if you knew the headache what a stupid thing I'm sorry He loosened his necktie and ran a frustrated hand through his dark hair Even though it was wildly inappropriate given the situation I couldn't help but find him even sexier angry than when he was calm and collected He seemed simultaneously capable of anything and yet in control I got the sudden and very strange insight that he had probably been the type to get into a lot of trouble when he was younger He turned back to look at me and caught me staring His eyes locked to mine freezing me in place and I watched a faintly appraising look come into his face Well what are we going to do about this he asked The question sounded rhetorical so I watched him without answering Tell me he said walking over to lean against the desk only a couple feet from me What is it exactly you told people I did Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Naughty Rumors with full consent of the original author **Professor's Discipline (Alpha Male and BBW Student/Teacher Discipline Erotica)** Miranda Cruz,2015-04-16 Reader Advisory This story is for mature audiences only and features intensely erotic situations sexy alpha males and BBWs taboo teacher student relations discipline spanking humiliation submissiveness and dominance All characters are 18 or older Joanna Michaels has always found ways of weeding what she wants out of the people around her

and when she arrives in college it doesn't look like that's going to have to change But her easy ride runs out when her professor Peter Andrews notices her flirting with a classmate only to copy his course work The handsome professor decides it's time to teach her a little personal responsibility and maybe show the flirtatious young woman just what a man who actually knows how to handle her charms looks like Excerpt You know Professor I begin I understand why you have me cleaning the classroom I'm really learning a lesson But as for talking to Tom I really don't understand why that's so necessary How do you know I don't like him I find myself blushing deeper crimson I mean he's not the single most handsome man I can think of I say but a girl's gotta take what she can get right Sometimes I just get lonely don't you I wince slightly as I hear the last words come out of my mouth That may have been taking it too far That's a very interesting perspective Joanna he says in a neutral voice But surely if you cared about him you wouldn't be manipulating him into giving you his work when he clearly didn't want to I let out an exaggerated sigh But Professor I say is it really that simple Sometimes you need something from someone and you're in a position to offer a sort of trade right A little affection to help get someone off the hook I've definitely warmed to my audience This all has to be having an effect He sits back and considers me for a long moment taking me in all of me The blush in my cheeks deepens still further as I find myself increasingly self-conscious What are you doing Joanna he asks Why do you think it's appropriate to act this way Or dress this way He makes a vague gesture I draw back slightly This isn't the reaction I expected Like what Professor You playing the slut to get what you want Do you think I'm some kid who'll go weak-kneed if you smile at me with your s hanging out What are you talking about Professor I ask as innocently as I can my heart beginning to hammer He seems angry It occurs to me I could get in legitimate trouble for this What am I talking about he asks I'm talking about this He grabs the loose flap of cloth of my partially open blouse and shakes me by it inadvertently pulling apart the other buttons in the process The garment falls open If it weren't obvious enough already that I'm not wearing a bra it's pretty fucking obvious now I look down and then back up at him in shock forgetting to cover myself He draws in a sharp breath as my sudden nakedness catches us both by surprise Notice This title includes themes and passages that have been adapted from Jessica Whitethread's Caught By My Professor with full consent of the original author

Teacher's Pet Young Francesca (author), 1901 *One Lustful Night With My Alpha Professor* M.E Julie, 2024-11-16

Your pussy is such a slut little one His deep baritone echoes as he traces a wet line through my clitoris Yes yes I let out my hips squirming as I cling to him My professor So slippery with juices My fingers ain't even inside yet I swallow hard at his words my face flushing red as my hunger grows Tell me little one How many fingers do you want inside you Two Please give me two professor Is all I manage to say as he thrusts two fingers inside me and immediately his eyes changed ____ One minute Rain was nursing her heartbreak with several shots The next she finds herself in an alley with a hot stranger It was a long night of moans thrust and need The morning Rain finds out the hot stranger from the previous night is her new professor He's larger than life One look at him shows he's power personified but there's this disturbing secret about him Yet Rain is so much

attracted she can't resist How long will it take her to figure out she's just a bait in a plot for revenge
