Nakireru Ph.D., 2010-04-19 Book Summary Dr Elvira Williams a graduate of Howard University Washington DC started her academic career at North Carolina Central University In 1977 she received a doctorate degree in Physics from Howard University She became the first woman of African descent in the State of North Carolina to earn a doctorate degree in Physics Secondly she became the fourth African American woman in the United States to receive the award Her academic journey started from the country side city of Pollocksville to the heights of academics as Dean of the College of Arts and Sciences at Shaw University Raleigh North Carolina **The Alpha Kappa Alpha Presence in Southwest Mississippi** Lorraine Banks Gayden, 2014-03-07 This book chronicles the timeless service of Phi Mu Omega chapter of Alpha Kappa Alpha from its humble beginnings as Ivy Omega Interest Group in 1998 to its chartering on January 15 2000 to its present status as a thriving chapter living out the sorority's motto to be Supreme in Service to All Mankind This history book was a time

intensive and labor intensive assignment for women who are already busy career minded and community service oriented but it truly became a labor of love which International President Carolyn House Stewart requested of each chapter of the sorority. Without her directive this book in all certainty would never have been written. The project has indelibly etched valuable lessons in the minds of the historian and chapter members: the need for archiving and documenting the chapter's programs, activities, events, and projects. The assignment also refocused attention on previous and current international initiatives issued by each international president. According to historian Earnestine Green McNealey Ph.D., author of the sorority's definitive history book *The Pearls of Alpha Kappa Alpha: A History of America's First Black Sorority*, until the lion tells its own story, the story will always glorify the hunter. This project forced chapters across the United States and in other countries to tell our own stories from their perspectives and in the context of historical events and social issues facing the communities we serve. Hopefully, it also reinforced the *raison d'être* for every member, every chapter, every region, and the international sisterhood. The beginning and evolving history of Phi Mu Omega is captured for generations of young women yet to come so that it might inspire and motivate them to become women with a desire to serve all mankind.

African American Fraternities and Sororities Tamara L. Brown, Gregory S. Parks, Clarenda M. Phillips, 2012-01-01. This second edition includes new chapters that address issues such as the role of Christian values in black Greek letter organizations and the persistence of hazing. Offering an overview of the historical, cultural, political, and social circumstances that have shaped these groups, *African American Fraternities and Sororities* explores the profound contributions that black Greek letter organizations and their members have made to America.

Before You Pledge: Essential Information You Should Know About the Divine Nine Dr. Michael J. R. Winfield, *Before You Pledge: Essential Information You Should Know About the Divine Nine* is an important read for all those considering joining a Black Greek Letter Organization or for anyone wanting to simply learn about the origin of this august body of black men and women. The dawn of the twentieth century brought many challenges to young African American students seeking enrollment at all-white college campuses. Intense racial prejudice forced many black students to leave predominantly white universities. And at the same time, on Historically Black College campuses, the desire for fellowship through shared social experiences led to the rise of Black Greek life, starting with Cornell University in New York. Alpha Phi Alpha, the first black fraternity formed at a predominantly white university in 1906, would point the way for similar organizations to develop. Between 1906 and 1922, eight Black Greek Letter Organizations were formed, with a ninth in 1963. Known collectively as the Divine Nine, these five fraternities and four sororities would go on to shape the course of Black America. Together, these young black men and women would face down racial prejudice, take the lead in the fight for social justice, and in the end, reshape the American cultural landscape. Finally, no other group of people can claim to have the sheer degree of accomplishments in all areas of human activity in the United States and in many other parts of the world compared to the Divine Nine.
