The Emergence of American Occidentalism in Literature and Culture Muthanna Al-Janabi,2025-10-28 The book presents an innovative conceptualization of Western thought casting the discourse of black and white intellectuals and politicians as a treatise on Occidentalism It envisions American Occidentalism as an inner discourse where Critical Occidentals interact textually and historically in response to the prevailing crosscurrents To capture this narrativity the first chapter establishes the book s new terminology rereads ancient Greek texts and critiques the works of key anthropologists like James G Carrier and Fernando Coronil as well as cultural theorists such as Hassan Hanafi Xiaomei Chen and Ian Buruma and Avishai Margalit The other three chapters analyze the Occidental tendency in the discursive official and intellectual practices of the Early Republic the twentieth century and the twenty first century Ideal for scholars and individuals interested in postcolonial theory African American literature and political sciences this book challenges readers to see the Occident not as a fixed entity but as a dynamic self critical tradition **Road to Tara** Anne Edwards,2014-06-23 Margaret Mitchell was as complex and compelling as her legendary heroine Scarlett O Hara and her story is as dramatic as anything out of her own imagination indeed it is the basis for the legend she created Gone With the Wind took the American reading public by storm and went on to become the most popular motion picture of all time It was a phenomenon whose success has never been equaled and it shattered Margaret Mitchell s private life In this commemorative reprint of Road to Tara Anne Edwards tells the real story of Margaret Mitchell and the extraordinary novel that has become part of our heritage

Intersecting Genre Jason Olsen,2023-09-07 Creative writing takes on many genres or forms fiction poetry nonfiction and dramatic writing Whilst all have their own principles and rules all modes of writing overlap and borrow from each other and so what you learn in one form can influence inform and inspire your practice in others Intersecting Genre holds this idea at its heart embracing the dissolution of disciplinary and genre boundaries to discuss the ways each genre supports the others Whilst traditional approaches typically discuss one genre independent of others this book explores genre relationships with each chapter focusing on the intersection between 2 modes and what you can learn and the skills you can transfer by combining the wisdom gained from the study of for example fiction and poetry together With most introductory creative writing courses aiming to apprise you of such mechanics of writing as narrative pace vocabulary dialogue imagery and viewpoint Intersecting

Genre is the ideal companion offering a unique methodology that analyses these ideas as they feature across the different genres thus giving you the ultimate well rounded introduction before you settle into the modes of writing that best suit you as your progress with your writing Covering fiction poetry nonfiction writing plays and screenwriting and also taking stock of the forms that do not fit neatly into any genre silo this book uses models critical questions writing warm ups and writing practice exercises to give you a solid understanding of the points discussed and encouraging you to put them to practice in your own work With the field of creative writing evolving constantly and with approaches to teaching and learning the subject vast and continually expanding this book offers a dynamic and uniquely holistic method for developing your writing skills asking you to deeply consider the issues and possibilities present in genre **Library of Congress Magazine** ,2016
